Citation to applicable Army regulations (ARs) has been made where appropriate. These ARs should be consulted for specific procedures. Information in this pamphlet that is inconsistent with law or regulation is inapplicable. Information in this pamphlet is current as of 1 October 1999; however, the needs of the service are the controlling factor in every case, and all policies are subject to change on that basis.

b. Several sample formats have been provided. They have been modified as appropriate to reflect procedures specific to the JAGC.

1-2. Applicability. This pamphlet applies to all JAGC officers (JAs), civilian attorneys and warrant officers under the jurisdiction of The Judge Advocate General (TJAG), and officers detailed to the JAGC.

1-3. Questions and Changes. Recommended changes to this pamphlet should be submitted in writing to: PERSONNEL, PLANS, AND TRAINING OFFICE, OFFICE OF THE JUDGE ADVOCATE GENERAL, 1777 NORTH KENT STREET, ROSSLYN, VA 22209-2194. Interim changes will be announced in The Army Lawyer. Questions are invited at any time at DSN 425-6799 or 703-588-6799.

1-4. JAGC Personnel Policy.

a. TJAG is responsible for personnel management of the JAGC in accordance with the statutory obligation to direct members of the JAGC in their duties. While TJAG's statutory duty extends to JAs and other members of the Army assigned to the JAGC, AR 27-1 provides additional authority and responsibility to manage the Judge Advocate Legal Service (JALS), which includes civilian attorneys and other employees, warrant officers, and legal specialists and NCOs.

b. The Personnel, Plans, and Training Office (PP&TO) assists TJAG in fulfilling his responsibilities to recruit individuals to serve as judge advocate officers and to manage the careers of judge advocates. PP&TO, under the guidance of TJAG, ensures that the Corps is provided the best resources possible to accomplish its missions.

c. Fair, candid, and open personnel management is critical to meeting the JAGC's mission, which is to support the Total Army mission by administering the military justice system and providing other quality legal services that meet the highest professional standards. The expert flexible force produced by sound personnel management practices will realize the JAGC leadership's vision for the Corps to be the most competent, ethical, respected and client- supportive group of legal professionals in public service.

d. Personnel management will be effective only when interest in professional development is shared among the JAGC leadership, supervisors, and individual members of the Corps. Every employee and soldier should remember, however, that responsibility for a successful career remains the ultimate responsibility of the individual. All members of the JAGC have a right to communicate directly with their appropriate personnel manager.

1-5. Professional Development of Judge Advocates. TJAG has a special responsibility to personally manage JAs under the statutory mandate of 10 U.S.C. 3037(c)(2). While other Army and government guidance affect management of civilian employees and subordinate military personnel, TJAG has the principal obligation to prescribe personnel policy for JAs. Development of Army officers is a key concern of the Army's leadership. DA Pamphlet 600-3, Commissioned Officer Development and Career Management, summarizes the Army's philosophy and policies of officer development. This policy manual does the same for judge advocates. TJAG manages JAs through the Personnel, Plans, and Training Office according to the career development model that follows. This policy manual explains the model in greater detail (see Section V). In addition to the narrative discussion, Figure 3-2 contains information concerning selection boards of interest to JAs.

Continuing Legal Education Throughout Career

SECTION II. RECRUITING

2-1. General. All JAs should be familiar with JAGC recruiting procedures and be capable of providing current information on JAGC personnel procedures to prospective applicants. Such information is available from the Judge Advocate Recruiting Office (JARO) (DSN 426-2822; Coml (703) 696-2822; Toll Free: 1-800-336-3315).

2-2. Minority and Women Attorneys. TJAG desires to recruit and retain as many qualified minority and female attorneys as possible. This objective will be accomplished by vigorous recruiting efforts and by ensuring equal opportunity for all judge advocates.

2-3. Intern Program. TJAG hires, on a part-time basis during school summer vacations, approximately 100 first and second year law students to work in Army legal offices throughout the United States, US Army, Europe (USAREUR), and Eighth United States Army (Korea). The program is designed to inform law students, especially minorities and women, of the opportunities for the practice of law in the JAGC. Its success depends largely on the efforts of staff judge advocates (SJAs) and other supervisors to provide a balanced work program for interns and an accurate evaluation of the interns at the end of the work period. Such evaluations will become part of the individual's application if an intern applies for a JAGC commission. The program is contingent on annual funding.

2-4. Student Volunteer (Internship) Program. Each year, TJAG may accept a number of qualified law students as voluntary interns (to serve without pay) for performance of legal duties at locations designated by TJAG. Student volunteers perform duties pursuant to academic credit programs of their law schools and are not employees of the U.S. Government. This program is designed to complement the Intern Program as a means of informing law students, especially minorities and women, of practice opportunities in the JAGC. SJAs at installations designated to participate in this program will develop a performance plan in concert with the student volunteer and the law school. During the internship, SJAs and supervisors will provide instruction, guidance, analysis, and evaluation. Interested applicants, SJAs, or law schools should contact the JARO. All requests for participation in the student volunteer intern program must be submitted to the JARO by the office interested in hosting a volunteer intern. JARO will process and forward such requests to OTJAG for final approval or disapproval.

2-5. JAGC Recruiting. Applications for appointment as a JA are received from law students, ROTC graduates on educational delay, active members of the civilian bar, active duty commissioned officers seeking participation in the Funded Legal Education Program (FLEP) and enlisted soldiers who are bar members. Each applicant must be interviewed by a Field Screening Officer (FSO) appointed by TJAG. In the case of FLEP applicants, the SJA of the applicant's command will conduct the interview as described in Chapter 14, AR 27-1.

a. Selected active duty JAs are appointed by TJAG as FSOs. FSOs visit American Bar Association approved law schools in their assigned regions to provide information concerning the JAGC and to interview and evaluate applicants for appointment. An interview report is submitted for each interviewee. Evaluation by an FSO is a critical part of the selection and appointment process, and such duty will be given high priority by SJAs. Separate instructions concerning recruiting procedures are provided to each FSO before 1 September annually. See Chapter 13, AR 27-1.

b. The FLEP (10 U.S.C. Section 2004) authorizes the annual selection of up to 25 active duty Army officers to attend law school at government expense. The actual number selected may vary from year to year depending on funding. See paragraph 3-3, below.

SECTION III. JAGC COMMISSIONING PROGRAMS

3-1. Direct Commission, Branch Transfer, Interservice Transfer, and Order to Active Duty of Former JAs. Individuals receive Reserve appointment with assignment to, or Regular appointment in, the JAGC through these programs by submitting an application for consideration by a selection board. See Chapter 13, AR 27-1, and AR 135-100, Appointment of Commissioned and Warrant Officers of the Army, AR 601-100, Appointment of Commissioned and Warrant Officers in the Regular Army, and AR 614-100, Officer Assignment Policies, Details, and Transfers.

a. The Chief, PP&TO determines the number of candidates to be appointed each fiscal year. The goal is to add enough quality lawyers, within authorized manpower limitations, to ensure accomplishment of the Army legal service mission while providing a fair opportunity for qualified officers to progress through the ranks of the JAGC in a normal career pattern.

b. JAGC Accession Selection Boards meet twice annually (normally in November and March) to consider eligible applicants to fill projected vacancies. These Boards are convened personally by TJAG and all board members are JAs.

c. Applicants who have active or reserve status with another service must request an interservice transfer in accordance with that service's regulations and submit an application for appointment in accordance with AR 27-1. Except as discussed in paragraph 3-1d, below, all such applications are referred to a JAGC Accession Selection Board.

d. Applicants who meet one or more of the following criteria will have their applications considered in April or October by a Career Status Selection Board instead of an Accession Selection Board:

(1) Are eligible to enter active duty in the JAGC in the grade of CPT, with more than three years time-in-grade at the time of entry on active duty, or are in the grade of MAJ or above;

(2) Have career status, either as a Conditional Voluntary Indefinite (CVI), Voluntary Indefinite (VI), or Regular Army (RA) officer, in another branch of the Army;

(3) Have career status, either as a Conditional Voluntary Indefinite (CVI), Voluntary Indefinite (VI), or the equivalent of a Regular Army (RA) officer, in another service; or

(4) Have previously served on active duty as an Army JA. See AR 27-1, AR 601-100, AR 614-100, and AR 614-120, Interservice Transfer of Army Commissioned Officers on the Active Duty List, as well as DOD Directive 1300.4.

e. Applicants will enter active duty in the JAGC with one of the following career statuses:

(1) Applicants who do not have career status in another branch of the Army or in another service will enter active duty in the JAGC as obligated volunteers (OBV). See paragraphs 4-2 and 4-3 concerning career status eligibility and selection procedures.

(2) Applicants who have career status in another branch of the Army at the time of their selection for JAGC service will be detailed to the JAGC. After two years of JAGC service (from time of completing the Judge Advocate Officer Basic Course), they will be considered automatically for assignment or appointment in the JAGC in the same career status that they had in their basic branch. See para. 3-3e for FLEP officers' career status policy.

(3) Applicants who have career status in another service will be appointed in or assigned to the Army JAGC in the same career status that they have in the other service.

(4) Applicants who previously served on active duty as Army judge advocates will normally re-enter active duty in the JAGC as Conditional Voluntary Indefinite (CVI) officers. After two years of service upon re-entering active duty, they are eligible to apply for Voluntary Indefinite (VI) status, or Regular Army (RA) for officers serving in the grade of MAJ or higher, at the next regularly scheduled Career Status Selection Board.

(5) None of the rules described in this paragraph affect an officer's eligibility for JAGC RA appointment in conjunction with promotion to major.

f. Officers who enter or re-enter active duty in the grade of CPT or above are not eligible for promotion consideration by boards that convene before the first anniversary of the effective date of the officer's placement on the active duty list. See AR 600-8-29, paragraph 1-10e(5).

3-2. Initial Active Duty Grade. Individuals who do not qualify for appointment as captains, US Army Reserve (USAR), before being ordered to active duty will be appointed as first lieutenants, USAR, and placed on the active duty list. JAs ordered to active duty as first lieutenants are usually eligible for promotion to the grade of captain within 6 to 9 months after entry on active duty. See AR 135-100 and AR 600-8-29.

3-3. Funded Legal Education Program. See 10 U.S.C. Section 2004 and AR 27-1, Chapter 14. The FLEP authorizes the annual selection of not more than 25 active duty commissioned officers to attend law school at government expense. Ten to fifteen officers are projected to be selected to enter the program each year.

a. The program is limited to officers who are serving in the grade of CPT or below and have not less than 2 years nor more than 6 years of active duty, including warrant and enlisted service, computed from the date that legal training begins. Legal training begins on the first day of formal instruction at law school. These requirements are statutory and cannot be waived.

b. Applications must be submitted before 1 November each year for consideration by the FLEP Selection Board. This board is convened by TJAG and is composed of three JAs and two non-JAGC officers. It normally meets in early December and selections are announced by late December.

c. Officers who are selected for the program retain their basic branch designation and are detailed to the JAGC until later appointed in or assigned to the JAGC, discharged, released from active duty, or returned to the control of another branch.

d. Officers selected for the program must apply to at least one law school where the selectee qualifies for resident tuition and may be directed to apply to additional schools. The selectee's choice of law schools to which he or she will attend is subject to the approval of TJAG. Generally, officers will attend a state supported law school in a state where they are eligible for in-state tuition rates.

e. Officers participating in FLEP are assigned to field SJA and Trial Defense Service offices for on-the-job training (OJT) when classes are not in session. They may be assigned legal duties as described in paragraph 10-1d, below. Because they are not yet qualified attorneys, they will not give legal advice under any circumstances to legal assistance clients or other members of the command. This rule ensures that only qualified lawyers provide such advice, and is to protect both clients and FLEP officers. Accordingly, during periods of OJT and until they are admitted to practice, FLEP officers will continue to wear the insignia of their basic branch. See AR 27-1, para. 14-16.

f. FLEP participants who twice fail a bar examination may be released from their JAGC detail and returned to their basic branches for assignment. Officers detailed to the JAGC who are in the zone of consideration for promotion (promotion zone) and fail to be selected will be considered for return to their basic branches.

g. FLEP officers will not normally be assigned OCONUS until they have passed the bar examination. Chief, Personnel, Plans, and Training Office, may, on a case-by-case basis, assign a FLEP officer OCONUS.

h. In the event a FLEP officer fails a bar examination, the officer will pay all expenses incurred traveling to and from his or her duty station and the bar test site for a second exam. In addition, the officer will be in a leave status when traveling and taking the bar.

i. Officers who complete the FLEP and who are admitted to the bar will remain detailed to the JAGC for a minimum of one year in order to evaluate their qualifications for appointment or assignment in the JAGC. The 1-year period commences on the date an officer completes the JAGC Basic Course. The first regularly scheduled Career Status Selection Board to convene after the FLEP officer serves a one year detail will consider these officers for appointment in the same career status they hold in their basic branch, except that conditional voluntary indefinite officers will be considered for voluntary indefinite status. Consideration is automatic and applications are unnecessary; however, evaluation letters from supervising JAs are required. See paragraph 4-3, below.

j. FLEP officers who have been admitted to practice become members of the JAGC competitive category for promotion consideration and will be considered for promotion by the JAGC promotion selection board. Before admission to practice, they are members of their basic branches for retention and promotion purposes and are considered for retention/promotion by the retention/promotion selection board for those competitive categories.

k. Upon graduation from law school and admission to practice, FLEP officers are expected to perform JAGC attorney duties. They will neither solicit nor encourage selection for federal or state judicial clerkships.

3-4. Service Obligation.

a. Individuals who enter active duty for an initial tour as OBV officers incur a 3-year service obligation, except those who received ROTC scholarships, who must serve for a period of 4 years. Branch or interservice transferees incur a 3-year service obligation that begins upon transfer.

b. Individuals who successfully complete the FLEP incur a two-year obligation for each year of law school (or part thereof) attended under the program. Service of this obligation begins upon reporting to the JAGC Basic Course or when the officer begins performing legal duties as prescribed by TJAG, whichever occurs first. This obligation must be served in consecutive JAGC assignments, and runs consecutively, not concurrently, with any other statutory service obligations. See AR 135-91, Service Obligations, Methods of Fulfillment, Participation Requirements, and Enforcement Procedures; and AR 350-100, Officer Active Duty Service Obligations.

c. Curtailment of active duty service obligations (ADSOs) will not normally be granted to allow early release from active duty (REFRAD) or resignation prior to scheduled expiration of term of service (ETS). In the event an officer resigns or is released before completing his or her ADSO, recoupment of a pro-rata share of ROTC scholarship or FLEP law school tuition will be required.

3-5. Voluntary Extension of Obligated Periods of Service. Extensions will be granted only when in the best interest of the service (e.g., when required for mission accomplishment). Because of end strength limitations, extensions past the end of the current fiscal year will not normally be granted. In addition, officers who were eligible to apply for career status will not normally be extended to apply or re-apply to the Career Status Board. Requests will be submitted through and endorsed by the SJA, or other supervisor, to PP&TO. Officers assigned to U.S. Army Europe (USAREUR) will provide a copy of their request to the Judge Advocate, USAREUR, ATTN: AEAJA-X. Officers assigned to Eighth U.S. Army (Korea) will provide a copy of their request to the Staff Judge Advocate, Eighth U.S. Army, ATTN: FKJA-CL. See Figure 3-1 for the proper format of such requests.

Note 3: To retire as O-5 or O-6, an officer must serve on active duty satisfactorily for a period of 3 years in that grade.

SECTION IV. CAREER STATUS

4-1. General. See AR 601-100 and AR 135-215. JAs attain career status when they apply and are accepted for continued service, other than short term extensions, beyond their initial tour obligation. There are three categories of career status in the JAGC: Conditional Voluntary Indefinite (CVI), Voluntary Indefinite (VI), and Regular Army (RA).

4-2. Career Status Selection Board.

a. Normally, the JAGC convenes two career status boards annually in April and October. The April board selects officers for CVI status. The October board selects officers for both CVI and VI status. Officers applying for CVI and VI status will be selected on a best qualified basis. Additionally, FLEP and other branch-detailed officers who have completed their evaluation periods will be automatically considered on a fully qualified basis for JAGC Career Status.

b. Dates for convening the boards and eligibility criteria are announced to the field by OTJAG via electronic message. Applications for CVI and VI will be submitted by memorandum through and endorsed by the SJA, or other supervisor, to PP&TO. See Figures 4-1 and 4-2 for recommended formats.

c. Applicants will contact PP&TO to ensure that their file is complete, to include a current photograph, original copy of final law school transcripts, and current statement from highest court of state in which licensed indicating membership in good standing. Applicants must also contact their local personnel office to review and update the Officer Record Brief (ORB).

4-3. Procedure.

a. Officers detailed to the JAGC who have career status in another branch (see paragraph 3-1d(2) and 3-1e(2)) are considered automatically for career status after completing 2 years of service as judge advocates. Such officers are evaluated on a fully qualified basis. See paragraph 3-3i, above, for FLEP officers.

b. OBV JAs may apply for consideration by a career status selection board after they have completed two years on active duty as JAGC officers. Officers not selected may reapply to subsequent boards until released from active duty. Officers selected for CVI status are informed by letter of both their adjusted release dates and the date of the board to which they must apply in order to obtain VI status. In accordance with 10 U.S.C. § 1174 and implementing policy, OBV officers not selected for CVI are not entitled to separation pay.

c. Officers who are selected for CVI status may be reassigned as the needs of the Corps require.

d. Once per year, ordinarily in October, the career status selection board will consider CVI officers for VI status. CVI JAs may apply for consideration by the board after they have completed five years of active duty as JAs. Officers selected for VI status may remain on active duty indefinitely, unless they voluntarily request release from active duty, submit a resignation or retirement, or unless they are involuntarily separated IAW applicable regulations. These officers retain their VI status until RA integration (if eligible) upon promotion to major. Officers not selected for VI status will be released from active duty on the last day of the month in which they attain six years of service, or 180 days following notification of non-selection, whichever is later. Officers who are subject to a regulatory service obligation for an overseas tour or a permanent change of station are expected to fulfill these obligations. Release from active duty due to non-selection for VI is considered involuntary and officers who meet the criteria of AR 135-215, para 1-8, may be eligible to receive separation pay. CVI JAs who do not apply for VI status will be released from active duty not later than 31 December of the year they are eligible to apply for VI, or at the end of any service obligation, whichever is later. Such a release will be considered voluntary and the officer will not be eligible to receive separation pay under current law.

e. Officers who are selected for Voluntary Indefinite (VI) status must accept or decline VI status in writing within 90 days after receiving official notification of their selection. See Figure 4-3 for format.

f. All Other Than Regular Army (OTRA) officers selected for major will be tendered an RA appointment if otherwise eligible. Officers who entered active duty after 30 September 1981 and decline RA appointment when tendered will be released from active duty not later than 90 days from the declination, or upon completion of any service obligation, whichever is later. Such release from active duty will be considered voluntary and the officer will not receive separation pay. Officers will notify their military personnel office of their selection for promotion and their decision concerning RA appointment within 30 days of selection for promotion to major. Officers who entered active duty on or before 30 September 1981, have served continually on active duty since that time, and decline RA appointment may continue on active duty under current rules until otherwise separated or retired.

4-4. Service Obligations as Result of Career Status. Officers who apply and are accepted for career status incur active duty obligations as follows:

a. A minimum of one year for CVI status, computed from the expiration of the officer's existing service obligation.

b. A minimum of one year for VI status, computed from the date TJAG approves the board results.

c. There is no additional obligation after execution of an RA oath.

SECTION V. ASSIGNMENTS

5-1. Assignments and Professional Development.

a. Professional development of the JA is accomplished by progressively more challenging assignments to organizations in the field and at higher headquarters, along with opportunities for schooling. The general career development model for judge advocates is at Figure 1-1. This section explains the JAGC assignment philosophy and how it relates to the model.

b. All assignments are made in the best interests of the Army. The objective of JAGC assignment policy is to build an expert flexible force by balancing the needs of the Army, professional development, personal and family needs, and personal preferences in every assignment. While personal preferences are considered, circumstances often require that individual desires or needs must be subordinated to the needs of the Army.

c. Proven performance and potential as reflected in officer evaluation reports are the key factors in deciding who is the best qualified officer for an assignment. PP&TO's goals are to develop every officer professionally, ensure diversity of assignments, and provide opportunities for management, leadership, and education.

d. Pre-Graduate Course assignments are key developmental milestones for new JAs. The initial assignment is normally the time when they develop basic technical skills and learn about the Army. SJAs and other heads of legal offices will rotate newer officers through as many different duties as sound management and the local mission allow. This provides a firm foundation on which later training and assignments will build and helps officers make more informed career choices when they become eligible to apply for CVI and VI. Officers whose initial assignments are to organizations whose missions are more limited may be reassigned during their initial obligated tour to have the opportunity for assignment to offices with greater diversity.

e. The Graduate Course prepares JAs to become middle managers, practitioners in specialized areas, and instructors. After the Graduate Course, officers typically become command judge advocates; senior defense counsel; deputy staff judge advocates; branch and division chiefs in field offices and at the appellate divisions; specialized practitioners at acquisition activities, joint commands, MACOMs, USALSA and OTJAG, HQDA, and OSD; and instructors at TJAGSA, CGSC, and the Military Academy. Most officers reach eligibility for resident CGSC and advanced civil schooling during these assignments. After promotion to lieutenant colonel, officers will be considered for assignments as regional defense counsel, staff judge advocates, military judges, branch and division chiefs at higher headquarters and specialists in particularly complex practice areas. Most officers nearing promotion to colonel become eligible for selection for resident senior service college or the Army War College Corresponding Studies Program. Colonels comprise the senior leadership of the JAGC and are the senior counsel to the leaders of the Army and DOD.

f. There is no single path to success in the JAGC. Sustained superior performance in a variety of assignments which develop and display each officer's skills as an attorney, manager, and leader are the guarantors of success. The JAGC needs specialists as well as generalists. Although the Acquisition Law Specialty Program is the only specialty managed by the JAGC, the JAGC nevertheless recognizes the need to develop skilled practitioners in other critical specialty areas of the law. The JAGC also recognizes its obligation to fairly distribute talented officers throughout the Corps: between TDA and TOE units, between CONUS and OCONUS commands, between Washington and the field, and between instructors who educate the Army and the operators who advise commanders in day-to-day operations. The JAGC's assignment, schooling, and promotion practices reflect these concerns.

5-2. Responsibilities.

- a. TJAG assigns all SJAs and has final authority over all JAGC assignments.
- b. The Chief, PP&TO, is responsible for recommending colonels' assignments to TJAG.
- c. Assignments of military judges are made as described in Section VII below.
- d. The Chief, PP&TO, is responsible for all other assignments.

e. The Judge Advocate of US Army, Europe (USAREUR), and SJA of Eighth US Army coordinate with the Chief, PP&TO, in assigning all JAs within their respective overseas areas, other than SJA, Regional Defense Counsel, and military judge positions.

f. SJAs and other heads of legal offices participate fully in the assignment process. They identify needs, explain the assignment process to their subordinates, provide career advice, and make recommendations about assignments. They also implement the JAGC's assignment goals by tailoring JAs' duties according to their stage of professional development. They are the JAGC trainers.

g. The most critical link in the personnel management process is the individual officer. Each officer is ultimately responsible for his or her own career. All officers have the right and responsibility to communicate directly with the appropriate personnel management officer in PP&TO. With respect to the assignment process, officers should provide assignment preferences to PP&TO at least six months before the end of their current tours, using the format at Figure 5-2. Please do not use DA Form 483 (green and white "Officer Assignment Preference Statement") as it contains entries inappropriate to JAGC assignments. Field grade officers expecting to be reassigned in the normal summer assignment cycle should contact PP&TO in September or October of the preceding year.

5-3. Tour Length. Assignments in the continental United States (CONUS) are normally a maximum of three years. However, the need to staff all legal offices properly and to develop the careers of all judge advocates effectively often requires shorter tours. Tour lengths for overseas tour are outlined in AR 614-30.

5-4. Initial Assignment Practices.

a. New JAs are typically assigned to the Judge Advocate Officer Basic Course en route to their first duty stations, although a few are assigned in a delayed schooling status to installations before attending the Basic Course. All officers are eligible for overseas assignment as an initial assignment. OBV officers and officers detailed to the JAGC serving in their initial JAGC assignments normally are not assigned to the following organizations:

- (1) OTJAG (including U.S. Army Claims Service).
- (2) The Judge Advocate General's School (TJAGSA).
- (3) United States Military Academy Law Department.
- (4) Headquarters for the following commands: USAREUR, Eighth US Army, Forces Command (FORSCOM), Training and Doctrine Command (TRADOC), Army Materiel Command (AMC), and Criminal Investigation Command (USACIDC).
- (5) Small JA or Trial Defense Service (TDS) offices requiring assignment of experienced military attorneys.

b. Initial officer assignments normally will not be made to the state in which the officer is admitted to practice, the state in which the officer attended law school, or a FLEP officer's on-the-job training (OJT) station. This policy ensures that new JAs are given a full opportunity to become acclimated to the military environment. Exceptions may be necessary where an expanded legal assistance program is in existence or other requirements dictate.

c. OBV officers (with both three-year and four-year obligations) assigned to CONUS stations are subject to reassignment for developmental and mission related needs during their initial three- or four-year assignment. An officer will be reassigned once prior to ETS if initially assigned to serve in a short tour area (one- or two-year tour). Selection of OBV officers for CVI will normally trigger eligibility for reassignment; however, reassignment prior to attainment of career status may be made as needed. Officers assigned to overseas areas will normally complete the overseas tour prescribed by regulation before being reassigned.

5-5. Overseas Service.

a. See AR 614-30. The paramount consideration for service outside CONUS is the needs of the service. To the maximum extent practicable, an officer's overseas service will be alternated between long and short overseas tours. The JAGC Personnel and Activity Directory should be consulted for a listing of those overseas locations where JAs may be assigned. Officers assigned to overseas locations may serve an accompanied tour or an "all others" tour as prescribed in AR 614-30.

b. The number of overseas tours in dependent-restricted areas (short tours) that an officer has completed determines eligibility for assignment to such a tour. Thus, after volunteers, officers who have not had a short tour are considered first, followed by those with one or more such tours. Within each category, officers are considered based upon the date of return from a short tour (i.e., longest back are next to go) and upon length of time on station. Key personnel (e.g. SJAs and other supervisors) are selected on a best-qualified basis without strict regard to date of return from their last short tour.

c. Every effort will be made to give officers assigned to a short tour a geographical preference for their next assignment, and, whenever feasible, early notification of their next assignment.

d. Overseas tours, including Puerto Rico, Alaska, and Hawaii, are normally three years. Tours in Korea vary from 12 to 24 months. Tour lengths depend on location, marital or parental status, and whether or not the officer elects to serve overseas without dependents. Overseas tour lengths are prescribed by AR 614-30.

5-6. Foreign Service Tour (FST) Extension. Such extension will be granted only when in the best interests of the Army (i.e., to ensure mission accomplishment). Requests will be submitted through and endorsed by the SJA, supervising JA, or commander concerned, to PP&TO. Officers stationed in U.S. Army Europe (USAREUR) will submit requests through the Judge Advocate, USAREUR, ATTN: AEAJA-X to PP&TO. Officers stationed in Korea will route requests through the Staff Judge Advocate, Eighth United States Army, ATTN: FKJA-CL, to PP&TO.

5-7. Trial Defense Service (TDS).

a. TDS assignments are considered a part of normal career development in the JAGC. To ensure a balance of experience and to minimize permanent change of station costs, transfer of JAs between TDS and the installation SJA office should be made whenever practicable. When assigning a transferred defense counsel directly into a trial counsel position, staff judge advocates will take care to avoid any real or apparent conflict of interest.

b. Trial defense counsel will normally be assigned to TDS for about 18 months. Regional Defense Counsel and senior defense counsel will normally be assigned for a two year tour.

c. As a general rule, new JAs will not be assigned to TDS. Exceptions will be made based on individual qualifications and the needs of the Army. To ensure necessary training and supervision, the assignment of Basic Course graduates to TDS will be carefully monitored. They will normally be assigned to larger TDS offices that can provide the necessary training and supervision.

5-8. Compassionate Reassignments. See ARs 614-100 and 614-30. Reassignment consideration will be given to cases of extreme hardship that can be alleviated only by an assignment to a specified area. The needs of the Army will be the final determining factor.

5-9. Dual Military Couples. See AR 614-100.

a. There are a number of JA husband-wife teams and JA/other branch of service husband-wife teams on active duty. Whenever possible these couples are assigned to the same general locality. This is not always possible, particularly when one member is attending a service school. When a husband and wife are assigned to the same location, they will not have contemporaneous assignments as trial counsel and trial defense counsel. Although TJAG cannot control other branch assignments, every effort is made to coordinate with other branches to assure a joint domicile assignment. Service couples are eligible for assignment to short tour areas. If they maintain a joint domicile while on a short tour, they will serve the prescribed accompanied tour length for that area.

b. Joint domicile assignments cannot be made if the assignments officer is not aware of the marriage; therefore, it is the responsibility of each JA to ensure that official documents reflect that the officer is married to another service member. AR 614-100 provides that all service member couples submit DA Form 4187 and a Married Army Couple Data Code Sheet through the servicing Military Personnel Office to the appropriate career management branch within 60 days of the marriage. Further, JAs should directly notify PP&TO if they marry a service member and provide a copy of the enrollment in the Army Married Couples Program. Notification should include name, grade, date of rank, social security number, and branch of service of the spouse.

c. Officers who change their names on their official military records will submit a copy of the approved name change documents to PP&TO.

5-10. Waiting Families. At times, some JAs must leave their families at home while they go on TDY or on short tours. Colleagues of absent members are encouraged to provide for the safety and welfare of these families. Officers departing on extended TDY or on an unaccompanied tour should inform the SJA nearest to the member's family of the family location and telephone number. The SJA is responsible for assisting the family and should ensure that the family knows the SJA is available to help in any way feasible. Families should be invited to JAGC social functions, especially during the holiday seasons. All JAs should inform their families that, in

addition to assistance at the nearest SJA office, the family may also call PP&TO (703/588-6799) for assistance.

5-11. Sponsors. The appointment of qualified, conscientious sponsors is an essential means of assisting officers upon initial and subsequent assignments. SJAs and other supervisors are responsible for ensuring that each new arrival is promptly welcomed and assisted by a sponsor.

5-12. Personnel Records. See AR 600-8-104.

a. Official Military Personnel File (OMPF). PERSCOM is the custodian of the officer's OMPF, which is maintained in microfiche format. The OMPF is used for HQDA promotion and school selection boards. Documents for filing in the OMPF normally must be sent through the local servicing personnel office for inclusion on the microfiche OMPF. It is the officer's responsibility to ensure that the OMPF is accurate and current. Accordingly, JAs are encouraged to request their microfiche OMPF on a regular basis, to ensure that documents such as awards are properly filed. A sample format to request the OMPF is at Figure 5-1.

b. Career Management Information File (CMIF). PP&TO maintains the CMIF, which is used in day-to-day management functions that affect the JA's career. The CMIF is not used for HQDA promotion and school selection boards; however, selected official documents from the CMIF, *e.g.*, transcripts and original OERs, are used for career status advisory boards convened by TJAG.

c. Officer Record Brief (ORB). The one page ORB is used both by PP&TO for assignment purposes and by HQDA selection boards. Most of the data on the ORB is inputted by the local servicing military personnel office. In some cases officers will be required to provide original documents to support changes. Officers are required to audit the ORB and provide corrections to the local personnel office at least annually. Changes should be reported to the personnel office as they occur; do not save changes for annual audits.

SECTION VI. PROFESSIONAL SCHOOLING

6-1. Judge Advocate Schooling Plan. The JAGC integrates legal education with training in other Army schools to prepare the JA for duties at each level of professional development. Summarized below are the progressively more advanced resident and nonresident courses offered to JAs followed by detailed discussion about them and other schooling opportunities:

<u>School</u>	<u>Years of Service*</u>	<u>Paragraph</u>
Basic Course	0-1	6-2
CAS3	4-6	6-4
Graduate Course	6-8	6-5
Intermediate Service School	10-16	6-7
Advanced Civilian Schooling	9-17	6-8
Senior Service School	16-23	6-9

*Times listed are typical eligibility windows. See specific paragraphs for details.

6-2. Judge Advocate Officer Basic Course. This resident course provides new JAs with the basic orientation and training necessary to perform their duties. Phase I of the course stresses military training. It is 4 weeks in length and is conducted at Fort Lee, Virginia. Phase II of the course stresses military law. It is normally 10 weeks in length and is conducted at TJAGSA. All JAs ordered to active duty for obligated tours of duty will complete the resident Basic Course. Failure to complete the course satisfactorily will result in return to basic branch, REFRAD, discharge, or other appropriate action.

6-3. Judge Advocate Officer Basic Correspondence Course. This course provides basic branch orientation for Reserve Component officers who are commissioned in the JAGC without concurrent order to active duty. It is comparable to the Judge Advocate Officer Basic Course.

6-4. Combined Arms and Services Staff School (CAS3).

a. All JAs will attend CAS3 except those eligible for the DA waiver granted to officers with a DOR to Captain of 9403 or earlier. This training is a key component of the JAGC's goal that all JAs be effective "soldier-lawyers." No other training available to the junior JA provides better preparation for service on a staff, particularly in the Army's combat units. CAS3 helps JAs

better understand their clients and is of particular benefit to officers who want to perform operational law duties.

b. CAS3 is a six-week resident course at Fort Leavenworth, Kansas. The course seeks to improve an officer's ability to analyze and solve military problems while interacting with other members of the staff. These goals are accomplished through broad problem solving exercises conducted in a time sensitive environment.

c. Officers are responsible for scheduling their attendance at CAS3 by discussing the dates of attendance with their supervisors and contacting PP&TO. Class dates are announced via electronic message. SJAs and other supervisors should monitor the CAS3 status of their assigned officers. CAS3 seats for the JAGC are spread out throughout the fiscal year; accordingly, supervisors must coordinate closely with PP&TO to ensure availability of seats for their officers. Attendance must normally be on a TDY and return basis and not enroute during a PCS. Officers assigned to Army Materiel Command organizations should coordinate attendance through the Office of Command Counsel, AMC. Officers assigned in USAREUR should coordinate attendance through the Office of the Judge Advocate, USAREUR, ATTN: AEAJA-X. Officers assigned to Korea should coordinate attendance with the Office of the Staff Judge Advocate, Eighth U.S. Army, ATTN: FKJA-CL.

d. Completion of CAS3 is the individual officer's responsibility. Officers must complete CAS3 before they may attend the Graduate Course.

6-5. Judge Advocate Officer Graduate Course.

a. This resident course provides career JAs and selected Department of the Army civilian attorneys with education and training in all areas of military law, leadership and management, and communications. Because it prepares officers for middle and senior grade legal positions, Graduate Course attendance generally comes after at least two assignments which will have adequately prepared the JA to fully participate in the curriculum. It is an essential element in career development and the keystone in the JAGC's professional development plan; accordingly, the Graduate Course will be completed in residence by all selected career force officers.

b. Those students meeting the academic requirements established by The Judge Advocate General's School for award of a graduate law degree receive a degree of Master of Laws (LL.M.) in military law. The American Bar Association has approved the School's Master of Laws Program as meeting its graduate level education standards. The course is conducted over a four-quarter, 42-week academic year. Class size will vary, but normally there are no more than 55 Army attorneys and a number of officers from the other services and allied nations. JAs selected to attend must display the intellectual ability, professional qualifications, and motivation for career

service. JAs attending the course incur a two-year service obligation upon signing into the course. The obligation begins to run upon graduation or reassignment from the course for any reason.

c. Officers assigned to attend the course must generally--

(1) be serving JAs in RA or VI status;

(2) be a major or have completed not less than five years of commissioned service since promotion to captain as of 1 September of the academic year the course begins;

(3) have served at least three years as a JA in a field assignment, after completing the Basic Course, as of 1 September of the academic year the course begins; and

(4) have completed their current overseas tour or 24 months of a CONUS assignment as of 1 September of the academic year the course begins.

d. Officers are assigned to attend this course by the Chief, PP&TO. Consideration for attendance is automatic for majors; captains who have been recommended for promotion or who are in the current zone of consideration; and RA and VI captains who will have completed five years of service as a captain and who will have completed an overseas tour or 24 months of a CONUS assignment as of 1 September of the next academic year. Department of the Army civilian attorneys are selected for attendance by TJAG based on criteria published for the year of attendance. See paragraph 13-8d(2), below.

e. The Chief, PP&TO may permit earlier attendance when the needs of the Army or the officer's professional development requires. For more senior officers, attendance at the Graduate Course will generally be scheduled within a year of an officer's promotion to major.

f. Officers may be relieved of assignment to the Graduate Course based on any of the following: misconduct, relief for cause, incidents involving moral turpitude, substandard performance, failure to meet weight standards, or medical debilitation. Officers who have been considered but not recommended for promotion will not attend the Graduate Course, whether or not previously designated for attendance.

g. Officers who have completed the Judge Advocate Officer Advanced Correspondence Course, obtained an advanced law degree, or completed an advanced course at another service school will still attend the resident Graduate Course.

h. Officers desiring exceptions to the criteria in c, above, may address their requests through the supervising JA or commander concerned to PP&TO. Such requests will be considered on a case by case basis consistent with the needs of the Corps.

6-6. Reserve Component Judge Advocate Officer Advanced Course. This course provides a working knowledge of the duties and responsibilities of field grade JAs. This course is an essential element in the RC company grade Judge Advocate's career progression and promotion eligibility. This course is divided into two phases. Phase I consists of 130 hours of nonresident courses which must be completed before enrolling in Phase II, a two week resident course at TJAGSA in January. Completion of the Judge Advocate Officer Basic Course is a prerequisite for enrollment for all officers appointed to the JAGC in the grade of Captain or below. Information concerning this and other courses open to RC Judge Advocates may be obtained from TJAGSA, ATTN: JAGS-GRA, Charlottesville, Virginia 22903-1781. Phone: (804) 972-6380.

6-7. Command and General Staff College (CGSC).

a. The purpose of this course is to prepare officers to perform duty as field grade commanders and principal staff officers at major commands. Normally up to sixteen JAs will attend CGSC each year. Graduates will normally be assigned to positions that will use skills learned. To be eligible for consideration, judge advocates must have completed the Graduate Course (MEL 6) and:

(1) be serving in the grade of major with more than two years time in grade as of 1 October of the academic year in which the course begins;

(2) or be serving in the grade of lieutenant colonel and have less than 182 months of active federal commissioned service as of 1 October of the academic year in which the course begins.

b. All eligible JAs are considered for attendance by a centralized board convened at PERSCOM. This board also revalidates officers previously selected for attendance but deferred for operational reasons.

c. Because only a few JAs are selected for this schooling, nonselection does not indicate a lack of promotion potential or value to the Army. All officers are strongly encouraged to complete CGSC either by the correspondence course or USAR nonresident program. Credit for a staff college is a prerequisite for consideration to attend senior service schools and is essential for promotion to higher grades.

d. To obtain information and an enrollment application, prospective correspondence course students should write to USACGSC, ATTN: Registrar, ATZE-SWE-R, Bldg 120, Rm 273 North, Fort Leavenworth, KS 66027-2314. Telephonic inquiries to USACGSC should be directed as follows: (DSN: 720 + Ext or COML: (913) 758 + Ext.) Last names beginning with: A-Brd: 3357; Bre-Cou: 3368; Cov-Har: 3362; Has-Kao: 3356; Kap-Mam: 3359; Man-Neb: 3383; Nec-Ram: 3386; Ran-Sim: 3380; Sin-T: 3388; U-Z: 3390.

e. DA Pam 351-20, paragraph 4-62d(3) outlines the criteria for enrollment in USACGSC and requires that officers already be graduates of their branch Officer Advanced Course. In the case of JAs who have not completed the Graduate Course, a limited waiver of this requirement is available under the following circumstances:

(1) Officer must be serving in the grade of major and meet the height and weight standards of AR 600-9;

(2) Officer must be a graduate of the Combined Arms and Services Staff School (CAS3) at the time of the submission of the request for waiver;

(3) Officer must have been eligible for assignment to the Graduate Course in accordance with paragraph 6-5 and have been operationally deferred by PP&TO for one or more years. An officer who has voluntarily deferred attendance at the Graduate Course will not be eligible to receive a waiver; and

(4) Officer, as determined by PP&TO, will have less than 36 months from the projected date of graduation from the Graduate Course to the date he or she will be considered in the primary zone for promotion to lieutenant colonel.

f. Requests for waiver in the memorandum format will be submitted to PP&TO through the staff judge advocate or supervising JA. The memorandum will detail compliance with the above criteria. Only requests for waiver concurred in personally by TJAG will be forwarded to the Director of Army Training (DAMO-TR) for approval.

6-8. Advanced Civilian Schooling. See AR 621-1, Training of Military Personnel at Civilian Institutions.

a. A limited number of outstanding career officers may be selected by TJAG to attend civilian institutions for one year at government expense to obtain advanced legal education in specialized areas in which requirements exist (e.g., international law, criminal law, contract law, environmental law, labor law, tax law). Officers selected must complete all work required to receive the LL.M. degree prior to the report date for their utilization tour. Failure to complete all requirements on time may be reflected in Section III of the Academic Efficiency Report as a failure to complete the course. (See AR 623-1, Chapter 3.)

b. This training is limited to career officers who have completed the Graduate Course and have less than 17 years active federal commissioned service as of 1 October of the academic year in which the course begins. Particular consideration will be given to officers who have authored articles, research papers, or a thesis, including such works completed while attending the Graduate Course.

c. Officers completing this program incur a three-year active duty service obligation and must serve a utilization tour of three years. Most utilization assignments are made to the following organizations:

- (1) OTJAG.
- (2) TJAGSA.
- (3) US Army Legal Services Agency (USALSA).
- (4) Major command headquarters in CONUS and overseas.
- (5) U.S. Military Academy.

d. Officers are selected for advanced civil schooling in the normal assignment cycle from among those qualified officers who apply. While normal assignment factors apply, the key factors for selection include proven performance and potential as reflected in officer evaluation reports, prior experience as a judge advocate, academic ability, and potential for utilization in repetitive assignments in the concentration in which the LL.M. is awarded. The Chief, PP&TO evaluates the candidates and recommends who should be selected to The Judge Advocate General.

e. Selection for advanced civil schooling does not necessarily rule out selection for Command and General Staff College (CGSC). However, the CGSC board may consider the effect of an additional year away from normal duties when an officer previously has participated in a long-term training program after the Graduate Course. Enrollment in the LL.M. program is not a substitute for completion of military educational requirements such as CGSC.

f. Officers who do not complete the three-year service obligation before leaving active duty may be subject to recoupment of the costs of their schooling.

6-9. Senior Service College. The purpose of these courses of instruction is to prepare officers for duty as commanders and staff officers at the highest levels of the services. Normally, each year two JAs attend the Army War College, one JA attends the Industrial College of the Armed Forces, one JA attends the National War College, and one JA is selected for a Senior Service College Fellowship with the Department of Justice. Attendees are selected by a board of officers convened under procedures prescribed by HQDA. All eligible JAs are considered automatically. To be eligible, officers must have credit for an intermediate service school (MEL 4), have at least 192 months, but not more than 276 months, of active federal commissioned service as of 1 October of the academic year school is started, and be serving in the grade of MAJ(P) or higher. FLEP and excess leave officers have an additional 36 months eligibility.

6-10. US Army War College (USAWC) Distance Education Course. The objective of the course is to make USAWC level education more widely available to qualified officers. The JAGC

normally receives an annual quota of five spaces. The Senior Service College selection board selects the best qualified officers from among those officers eligible for senior service school. See AR 351-1, paragraph 7, for enrollment prerequisites. PP&TO will contact eligible officers by virtue of board selection and offer them the opportunity to enroll. In addition to the foregoing, promotable lieutenant colonels may be permitted to enroll if sufficient quotas exist. PP&TO will contact them and offer them the opportunity to enroll.

6-11. Professional Conferences. See AR 1-211, Attendance of Military Personnel at Private Organization Meetings, and AR 600-8-10, Leaves and Passes. JAs are encouraged to attend meetings of professional organizations (e.g., American Bar Association, National Bar Association, Federal Bar Association). When the meeting will produce tangible contributions to the execution of assigned missions and programs, attendance may be at government expense in accordance with AR 1-211. Officers who desire to attend such meetings at personal expense may be authorized permissive temporary duty in accordance with AR 600-8-10.

6-12. Continuing Legal Education (CLE).

a. TJAG policy is that all attorneys participate in CLE. Supervisors should ensure that officers attend courses at TJAGSA whenever feasible. Many states now require CLE. Each JA is responsible for fulfilling the requirements of his or her state bar. Any questions a JA may have concerning state CLE requirements must be addressed directly to the state bar.

b. Headquarters, Department of the Army (HQDA) has limited funds available to pay tuition for short courses at civilian institutions. Travel and per diem must be locally funded. Requests for funding of tuition must be submitted 90 days before the beginning date of the course, through the SJA, supervising JA, or commander concerned, to PP&TO. Justification to attend the course must be provided. Specifically, the justification must indicate that the training directly relates to the individual's current duties and how, by attending the course, the applicant will better perform his or her duties. The justification must also indicate that the training is unavailable through normal JAGC CLE programs. Normally, HQDA will not fund more than one person from the same office or unit to attend the same course. See AR 621-1, Chapter 5, section IV, Training of Military Personnel at Civilian Institutions.

6-13. Continuing Legal Education (CLE) at TJAGSA.

a. Attendance at resident CLE courses at The Judge Advocate General's School (TJAGSA) is restricted to those students who have a confirmed reservation. Reservations for TJAGSA CLE courses are managed by the Army Training Requirements and Resources System (ATRRS), the Army-wide automated training systems. If you do not have a confirmed reservation in ATRRS, you do not have a reservation for a TJAGSA CLE course. You will not be allowed to attend the CLE without a confirmed reservation.

b. Active duty service members must obtain reservations through their directorates of training or through equivalent agencies. Reservists must obtain reservations through their unit training offices, or, if they are non-unit reservists, through ARPERCEN, ATTN: ARPC-ZJA-P, 9700 Page Avenue, St. Louis, MO 63132-5200. Army National Guard personnel request reservations through their unit training offices.

c. When requesting a reservation you should know the following:

TJAGSA's School Code - 181

Course name and number - (Example: 133 Contract Attorneys Course 5F-F10).

Class number - (Example: 133 Contract Attorneys Course 5F-F10).

To verify a confirmed reservation, ask your training office to provide you a screen print of the ATRRS R1 screen showing by-name reservations.

6-14. Other Military Training.

a. Airborne training is available to JAs who are to be assigned to organizations where qualification as a parachutist is required. This training is usually accomplished in conjunction with an assignment to such an organization. Airborne training may be available to JA basic course students immediately following graduation. After coordination with TJAGSA, basic course students desiring to attend airborne school will coordinate directly with the gaining SJA office. After SJA approval, TJAGSA will inform PP&TO. Other JAs interested in attending airborne school may be permitted to do so in conjunction with a PCS. JAs should contact PP&TO for information and quotas. The JAGC encourages officers to volunteer for this training. For new officers, it provides an early introduction to challenging military training. It also provides a cadre of JAs who can later be considered for assignment to airborne and special operations units.

b. Language school training is available to selected career JAs who will be assigned to a position requiring specialized language training. Officers interested in applying should submit a Defense Language Aptitude Battery (DLAB) score to PP&TO. When required by position, training in German, French, Spanish, Japanese, Italian, and Korean, is available at the Defense Language Institute, Presidio of Monterey, California.

6-15. Skill Identifiers (SIs). SIs to identify individuals with expertise in contract law, international law, and claims have been approved. SIs will be awarded based on the criteria contained in AR 611-101, Commissioned Officer Classification System. Applications for award of an SI must be submitted through command channels to PP&TO.

VII. SELECTION, CERTIFICATION, AND ASSIGNMENT OF JUDGES

7-1. Selection of Active Duty Military Trial Judges. TJAG selects and certifies officers to serve as military trial judges who will normally meet the following criteria:

(1) have at least two years of trial experience as a court-martial trial or defense counsel; one year of court-martial trial experience and at least one year as chief of criminal law, regional defense counsel, or criminal law instructor; or two years as a staff judge advocate in an active criminal law jurisdiction;

(2) are serving in the grade of colonel, lieutenant colonel or promotable major;

(3) have completed CGSC or the equivalent, or are willing to enroll and complete such a course.

(4) have demonstrated mature judgment and high moral character;

(5) have been nominated for selection by the Chief Trial Judge, USALSA, or a designee, in coordination with the Chief, PP&TO; and

(6) are able to graduate and attain at least a grade of C (77 points) in the Military Judge Course, TJAGSA.

7-2. Selection of USAR Trial Judges.

a. USAR JAs not serving on extended active duty will not be certified as military judges unless serving in an Individual Mobilization Augmentation (IMA) judge position or on a Military Judge Team. Applicants must meet the following criteria: (1) have demonstrated mature judgment and high moral character; (2) serving in the grade of Colonel, Lieutenant Colonel, or Major (P); and have (3) a minimum of one year criminal law experience as: (a) full-time civilian trial or appellate judge, U.S. Magistrate Judge, or administrative law judge; or (b) criminal trial practitioner, with recent extensive experience in federal, state, or military courts, or (c) full-time criminal law instructor in a military or civilian school.

b. Applications for appointment as an IMA judge will be sent through the Director, Guard and Reserve Affairs Division, OTJAG, ATTN: JAGS-GRA, to the Chief Trial Judge on DA Form 2976-R. Applications for appointment as a military judge assigned to a USAR Military Judge Team will be sent from the Commander of the Legal Support Organization of which the military judge position is a part, through the Director, Guard and Reserve Affairs Division, OTJAG, ATTN: JAGS-GRA, to the Chief Trial Judge for final selection. Applications must be accompanied by the officer's OMPF microfiche and should contain additional information

necessary to demonstrate substantive criminal law experience, maturity of judgment, and unquestionable moral character. Only colonels, lieutenant colonels, and promotable majors will be selected as Military Judge Team Judges.

c. The first AT after selection is spent at the Military Judge Course, TJAGSA. A grade of C (77 points) or higher is a prerequisite to continued assignment to the Trial Judiciary or to a Military Judge Team.

d. Each USAR military judge will be assigned to a judicial circuit for Annual Training (AT). He or she will coordinate AT with the Chief Circuit Judge (or a designee) based upon availability of courts-martial over which he or she is qualified to preside. AT will normally be performed on a fragmented basis to maximize opportunities to perform judicial duties.

7-3. Certification of National Guard (NG) Military Judges.

a. For a NG JA to be certified as a military judge by TJAG, the following criteria must be met: (1) have demonstrated mature judgment and high moral character; (2) be serving in the Army National Guard as a Major(P) or higher, (3) be serving as or nominated to serve as a state military judge; (4) have a minimum of one year criminal law experience as (a) full-time civilian trial or appellate judge, U.S. Magistrate Judge or administrative law judge, or (b) a criminal trial practitioner, with recent extensive experience in federal, state, or military courts, or (c) full-time criminal law instructor in a military or civilian school; and (5) are able to graduate and attain at least a grade of C (77 points) in the Military Judge Course, TJAGSA.

b. NG applications for certification as a military judge must be endorsed by the senior judge advocate or state Staff Judge Advocate, as applicable, and sent through (1) National Guard Bureau, Judge Advocate and (2) Director, Guard and Reserve Affairs, TJAGSA, ATTN: JAGS-GRA to the (3) Chief Trial Judge, United States Army Trial Judiciary. Applications must contain additional information necessary to demonstrate substantive criminal law experience, maturity of judgment, and high moral character.

7-4. Trial Judiciary Assignments.

a. Assignments of military judges to the Trial Judiciary are made by TJAG upon the recommendation of the Chief Trial Judge, USALSA, in coordination with the Chief, PP&TO. See the JAGC Personnel and Activity Directory for a complete list of stations where trial judges are currently assigned.

b. As a general rule, officers below the grade of colonel will not receive consecutive trial judge assignments. Upon the completion of a tour as a trial judge, the officer typically will be reassigned to a position related to the field of criminal law such as SJA, Regional Defense Counsel, Deputy SJA, Criminal Law Divisions at OTJAG or TJAGSA, or one of the Appellate Divisions in USALSA. Military judges are eligible and compete for military and civil schooling

on the same basis as any other JA. School assignments are not considered intervening assignments for purposes of determining eligibility for a subsequent assignment as a trial judge.

7-5. Selection and Assignment of Appellate Military Judges.

a. General. Assignments of appellate military judges to the U.S. Army Court of Criminal Appeals are made by TJAG upon recommendation of the Chief Judge in coordination with the Chief, PP&TO.

b. Grade Requirements. Appellate judges will normally be in grade of colonel. Exceptional lieutenant colonels with at least two years time in grade may be considered for a waiver of the grade requirement.

c. Experience Requirements. Appellate judges should have at least two years of experience as a GCM trial judge, previous service as an appellate judge, two years of experience as an SJA of a general court-martial jurisdiction, or two years of experience as a regional defense counsel. Appellate judges should also have at least two years of criminal law experience as a trial counsel, chief of military justice, criminal law instructor, or trial defense counsel.

d. Military Education Requirements. Appellate judges must be a graduate of the Command and General Staff College or its equivalent.

7-6. Tenure for Military Judges.

a. Trial Judges. Judge Advocates are certified as military judges by TJAG and assigned to the Trial Judiciary for a minimum of three years, except under any of the following circumstances:

(1) The military judge is assigned to the Sixth Judicial Circuit (Republic of Korea), or such other area where officers are normally assigned for a short tour of one or two years: in such cases the military judge will be appointed for a one or two year term;

(2) The military judge voluntarily requests to be reassigned to other duties, and TJAG approves such reassignment;

(3) The military judge retires or otherwise separates from military service;

(4) The military judge is reassigned other duties by TJAG based on the needs of the service in a time of war or national emergency; or

(5) The officer's certificate as a military judge is withdrawn by TJAG for good cause.

b. Appellate Military Judges. Assignments of appellate military judges to the U.S. Army Court of Criminal Appeals are made by TJAG upon recommendation of the Chief, Judge, the U.S. Army Court of Criminal Appeals, in coordination with the Chief, PP&TO. Judge Advocates are assigned as appellate military judges for a minimum of three years, except under the following circumstances:

(1) The appellate military judge voluntarily requests to be reassigned to other duties, and TJAG approves such reassignment;

(2) The appellate military judge retires or otherwise separates from military service;

(3) The appellate military judge is reassigned other duties by TJAG based on the needs of the service in a time of war or national emergency; or

(4) The officer is removed from service as an appellate military judge by TJAG for good cause.

SECTION VIII. ACQUISITION LAW SPECIALTY PROGRAM

8-1. Introduction.

a. General. In recognition of the increasing breadth and complexity of acquisition law, and of the need for both uniformed and civilian attorneys to maintain expertise in acquisition law, in 1985 The Judge Advocate General established the Acquisition Law Specialty (ALS) Program. The ALS Program is a centrally managed system for identifying, training, and assigning lawyers so that the JAGC can develop and maintain qualified personnel, both military and civilian, with the requisite breadth and depth of acquisition law expertise.

b. Responsibility. PP&TO is responsible for administering the ALS Program. PP&TO coordinates ALS issues and assignments with The Assistant Judge Advocate General for Military Law and Operations, who has oversight responsibility for the Program.

c. Key features. The key features of the ALS Program are: establishing a force structure of ALS positions; providing for the selection, development, and training of acquisition law specialists; assuring opportunities for promotion and schooling for acquisition law specialists; and implementing the AMC Contract Law Intern Program (see paragraph 8-4) which established a small number of specified judge advocate positions in AMC (see paragraph 8-5).

d. ALS and Acquisition Assignment Policies. Attorneys enrolled in the ALS Program will receive first consideration for assignment to acquisition law positions and acquisition law training, subject to the needs of the Army. There are positions, usually at installation Staff Judge Advocate offices, where JAs interested in the ALS Program can acquire the experience which will qualify them for ALS entry. Attorneys enrolled in the ALS Program will normally be given duty assignments to ALS positions or related fields. Enrollment in the Acquisition Law Specialty Program does not preclude assignment to other positions. Judge advocates in the ALS Program have equal opportunity with other judge advocates for promotion and other than acquisition law training programs.

e. ALS Promotion Opportunity. Judge advocates in the ALS Program have equal opportunity with other judge advocates for promotion. JAs in the ALS are identified to promotion boards which are instructed that the Army's goal is that ALS attorneys as well as all JAGC officers who specialize have an opportunity for promotion to each grade comparable to the promotion opportunity of other JAGC officers.

8-2. Eligibility.

a. Judge Advocates. Judge advocates who want to enroll in the ALS Program may apply by forwarding an application to PP&TO through their Staff Judge Advocate or other supervisor. JAs must have career status (at least VI), be recommended for the ALS by the Staff Judge Advocate or other senior supervising attorney to whom the applicant reports, and must be

competitive for promotion (demonstrated by professional performance of legal duties in at least three officer evaluation reports as a JA). In addition, the applicant must satisfy one of these additional criteria: successful performance for at least one year in a position whose primary duty is legal support to an acquisition function, successful performance for at least two years in a position in which legal support to an acquisition function was a significant duty (to include direct supervision of acquisition lawyers), award of an LL.M. in contract law, or completion of one year in the AMC Contract Law Intern Program. Acquisition Law Specialists with the requisite qualifications will, upon application, be awarded skill identifier 3D. The qualifications for skill identifier 3D are more rigorous than the criteria for ALS enrollment (see paragraph 6-15).

b. Civilian attorneys. Civilian attorneys under the qualifying authority of TJAG are eligible to participate in the ALS Program when they successfully complete at least one year in a position in which the primary duty is legal support to an acquisition function, or two years in a position in which legal support to an acquisition function is a significant duty. Applications should be forwarded through the Staff Judge Advocate or other supervisor to PP&TO.

c. Applications. Applications for the ALS Program may be submitted at any time.

d. Enrollment and Disenrollment. The Chief, Personnel, Plans and Training Office has been delegated approval authority for enrollment in the ALS program. Attorneys may be disenrolled from the ALS Program upon their request or after having served for four years in a non-ALS position. Enrollment may continue notwithstanding service in non-ALS positions if consistent with the needs of the Army or other valid professional considerations.

8-3. ALS Positions. ALS positions are those in which the primary duty is legal support to an acquisition function. PP&TO will notify Staff Judge Advocates and other supervisors of positions that have been identified as ALS positions. In addition, PP&TO will inform supervisors whether the position has been documented for skill identifier 3D (Contract Law). Supervisors who have positions that they believe should be identified as ALS positions should notify PP&TO. Identification of a position as an ALS position (or documenting a position with skill identifier 3D) does not guarantee that the position will be filled with an Acquisition Law Specialist. However, such identification is a valuable management tool, which will help to ensure that Acquisition Law Specialists are assigned so as to enhance their career development and to fill the needs of the JAGC and the Army.

8-4. Contract Law Intern Positions With Army Materiel Command (AMC).

a. The objective of this program is to assist TJAG in developing a pool of officers in the JAGC career force with extensive practical training in government acquisition and contract law at the acquisition activity level. With recent force reductions, the number of contract law intern positions is very limited. Interested officers should contact their personnel management officer at PP&TO.

b. Officers selected will generally be assigned to an AMC legal office for a 36-month stabilized tour. During the first 24 months, participants will be trained in all areas of contract law, and if they have not yet attended, subject to availability of spaces, funding, and mission requirements, will attend basic and advanced contract law courses at TJAGSA and the Army Logistics Management Center, Fort Lee, Virginia.

c. To be eligible for consideration, the JA officer ordinarily must have either VI or RA status but exceptions may be granted for CVI officers whose performance has been outstanding. Officers incur a one-year active duty service obligation upon accepting assignment in this program. The one-year active duty service obligation begins to run upon completion of the 36-month tour or upon reassignment from the program for any reason.

8-5. ALS Memorandum of Understanding Positions with AMC. The Army General Counsel, TJAG, and AMC Command Counsel have entered into a Memorandum of Understanding augmented by a Memorandum of Agreement identifying Chief Counsel, Deputy Chief Counsel, division and branch chief, and action officer positions for JA incumbency to ensure the appropriate mix of military and civilian lawyers at all levels; provide further opportunities for JA development and experience; and ensure adequate career progression and opportunities for the ALS JA lawyer.

SECTION IX. SEPARATION, RESIGNATION, RELEASE FROM ACTIVE DUTY, DISCHARGE AND RETIREMENT

9-1. General. Officers may be released from obligated and nonobligated periods of service upon personal request or involuntarily when personal circumstances or needs of the service dictate. This section covers the more frequent circumstances in which such release may be directed or approved.

9-2. Hardship Release from Active Duty. AR 600-8-24, Chapter 2, Section IV (Task: Process Voluntary REFRAD Due to Hardship) describes the circumstances under which a release from active duty (REFRAD) for hardship reasons may be granted. Substantiating documentation required by the regulation must be submitted through and endorsed by the SJA, or other supervisor, to PP&TO.

9-3. Resignations and Release from Active Duty. See AR 600-8-24, chapter 2 (REFRAD of RC Commissioned and Warrant Officers), and chapter 3 (Resignations).

a. OBV and CVI officers with an expiration of term of service (ETS) date are not affirmatively required to request REFRAD on that date. Their periods of service terminate automatically without regard to time on station. Separation orders for normal ETS are not issued by HQDA or PP&TO. Officers approaching normal ETS will coordinate the transition with the local personnel office.

b. Unqualified resignations and requests for REFRAD normally must be submitted not earlier than 6 months nor later than 3 months prior to the desired date of separation. Normally, unqualified resignations and requests for REFRAD will not be accepted unless the officer will have satisfied all service obligations by the effective date of the resignation or request for REFRAD. In this regard, officers serving overseas normally will be required to complete the current prescribed tour for the area of assignment. Unqualified resignations must be processed in accordance with AR 600-8-24, Chapter 3. Requests for REFRAD must be processed in accordance with AR 600-8-24, Chapter 2. See Figures 9-1 through 9-4 for recommended formats.

c. Officers who resign or who are released from active duty should keep copies of the following documents. Possession of these documents will facilitate transition to Reserve Components and, in addition, will be useful for future reference.

- (1) Appointment Orders
- (2) Latest Promotion Orders
- (3) Officer Record Brief (ORB)
- (4) Assignment Orders to Reserve Control Group (if available)
- (5) DA Form 873 - Certificate of Clearance
- (6) SF 88 - Report of Medical Examination
- (7) SF 93 - Report of Medical History
- (8) DD Form 214 - Certificate of Release/Discharge from Active Duty

9-4. Retirements.

a. Applications for voluntary retirement will be submitted to PP&TO not earlier than twelve months nor later than three months prior to the desired date of retirement. Applications will be processed in accordance with AR 600-8-24, Chapter 6. See Figure 9-6 for recommended format.

b. 10 U.S.C. 1370(a)(2) requires three years time-in-grade for COLs and LTCs seeking to retire in the highest grade satisfactorily served on active duty. The National Defense Authorization Act for Fiscal Year 1992 provides authority to allow a limited number of officers to retire in grade with two years time-in-grade. Whether and to what extent this authority is implemented depends on DOD and Army policy, which changes annually. Officers desiring to submit an application for retirement with a concurrent request for waiver of the time-in-grade requirement should contact PP&TO for guidance on current policy on time-in-grade waivers.

c. SERBs. In addition to codified statutory authority for selective early retirement, 10 U.S.C. 638a provides expanded authority to consider for selective early retirement LTCs who have been once non-selected for promotion to colonel, colonels who have served at least two years on active duty in that grade, and officers below the grade of colonel, not on a promotion list, who are not currently eligible for retirement but who would be eligible for retirement after serving two additional years of active duty as commissioned officers. This statutory provision also allows officers to be considered for selective retirement annually through October 1999. Up to 30 percent of the officers considered in each grade in each competitive category may be recommended for retirement. The HQDA policy on selective early retirement for the JAGC is announced each year.

9-5. Recoupment of Educational Expenses. Officers who have an active duty service obligation based on educational expenses paid by the government (ROTC scholarship, FLEP, or LL.M.), normally are required to repay the government for a pro-rata portion of these expenses if they leave active duty before the end of their obligated service.

9-6. Transition Leave.

a. Requests for transition leave pending retirement, resignation or REFRAD are approved or disapproved by the officer's commander, SJA, or office chief. No action by PP&TO is required. In determining whether to approve a request for transition leave, approving authorities should consider that replacements are scheduled based upon the normal separation date and not the date transition leave begins. Approval of such a request may result in an office vacancy for at least the period of transition leave.

b. The practice of law outside the JAGC during a period of transition leave requires prior approval. TJAG has delegated authority to approve such requests to the Chief, PP&TO. Requests should be sent through and endorsed by the SJA, or other supervisor, to PP&TO. See paragraph 10-5, below. Recommended format is at Figure 9-7.

9-7. Forwarding Address Upon Separation From Active Duty. Officers who are leaving active duty should provide PP&TO with a forwarding address. Six months after separation from active duty, PP&TO will mail the Career Management Information File (CMIF) to officers who have completed their statutory obligation and will not remain in a Reserve Component, as well as to officers who have retired.

9-8. Retirement, Resignation, or Release from Active Duty in Lieu of PCS Assignment. Officers who will be eligible for retirement or separation within 6 months of the date on which they receive a PCS assignment alert may resign or request voluntary retirement or REFRAD in lieu of PCS. The request must be submitted within 30 days after the officer is alerted for assignment. An alert is defined as oral or written notification of an assignment or reporting date. The officer must request a release date not later than six months from the date of the PCS assignment alert.

9-9. Selective Continuation.

a. Officers pending separation for twice failing selection for promotion to lieutenant colonel may be continued on active duty in their present grade if recommended by a selective continuation selection board and approved by the Secretary of the Army. Selective continuation is a method of retaining capable, experienced officers of a specific grade to meet the needs of the Army. Not all selection boards are authorized to recommend selective continuation. It is current JAGC policy to seek selective continuation for all majors who have been non-selected to lieutenant colonel. Normally, selectively continued majors will continue to serve on active duty until eligible for retirement under 10 U.S.C. Section 3911. Selectively continued officers will continue to be eligible for selection for promotion until separated.

b. Depending upon limitations imposed by budgeted end strength, the Secretary of the Army may convene a board to review the status of selectively continued officers. In such a case the Secretary would determine which officers would be eligible for retirement, thereby terminating their selectively continued status. Details of such a review board will be announced separately. Officers are encouraged to contact PP&TO if they have questions regarding their selective continuation status.

c. Regular Army officers may decline selective continuation before the period of continuation begins. Such officers are eligible for separation pay, if otherwise qualified.

d. Officers wishing to be discharged or released from active duty before a selective continuation period expires may voluntarily request such action. If discharged or released, however, they will not be entitled to separation pay. See AR 600-8-29, Officer Promotions, and AR 600-8-24, Officer Transfers and Discharges.

9-10. Service in the Reserve Components.

a. OBV, CVI, and VI officers retain their commissions upon release from active duty unless they have submitted an unqualified resignation. RA officers must resign their RA commissions and request reappointment to obtain a Reserve commission. Each officer accepts an eight year statutory obligation upon initial appointment. Many officers leaving active duty fail to understand that they have an additional statutory Reserve obligation and that many benefits are available to those officers who desire to actively participate in the Selected Reserve.

b. PP&TO will provide, on a recurring basis, a forecasted loss list of CPTs and MAJs. OTJAG, GRA will use this list to provide each officer basic information on the Reserve Components and how to participate prior to ETS.

c. The staff judge advocate or equivalent senior command legal counsel will personally meet with each officer scheduled for release from active duty to discuss service in the Reserve Components and request that each officer provide a forwarding address and phone number. A briefing point paper has been provided (Figure 9-8). A report of the results of each interview (Figure 9-5) will be provided to the Guard and Reserve Affairs Division, Office of The Judge Advocate General, The JAG School, 600 Massie Road, Charlottesville, VA 22903-1781.

I am aware that the purpose of this examination is to ensure that my medical records reflect as accurately as possible my state of health on retirement and to protect my interests and those of the Government. I also understand that my retirement will take effect on the requested date and that I will not be held on active duty to complete this examination.

7. In accordance with Title 10, United States Code, I understand that:

a. Enrollment in the Survivor Benefit Plan (SBP) is the only way that I may continue a portion of my retirement pay to my family at my death.

b. I must receive SBP counseling for myself and my spouse (name of spouse _____) no less than 30 days before retirement.

c. I will be enrolled in full SBP coverage if I fail to elect otherwise in writing before my retirement.

d. I cannot elect less than full spouse SBP without my spouse's written agreement. (I received a spousal concurrence for this purpose in connection with this application/letter. I realize there are other forms that must be completed during SBP counseling.)

e. Failure to return a completed spousal concurrence statement to the proper officials prior to my retirement packet being sent to the US Army Finance & Accounting Center will result in my being irrevocably and irreversibly enrolled in SBP at full cost.

8. Address Upon Retirement: (a reliable forwarding address for mail).

9. I am familiar with AR 600-8-24, Chapter 6, paragraph 6-22, and understand that if this application for retirement is accepted by the Secretary of the Army it may not be withdrawn except for extreme compassionate reasons or for the definitely established convenience of the Government.

10. (If AR 600-8-24, Chapter 6, paragraph 6-16, is applicable, continue with the information required by paragraph 6-16g.)

11. As of the date of this application, I have _____ days accrued leave. I plan to take _____ days of transition leave.

12. I understand the provisions of AR 600-8-24, table 6-1 or 6-2, pertaining to determination of my retired grade. Considering those provisions and after a review of my records, I believe that I am entitled to retire in the grade of [rank]. I understand that final determination of my retired grade will be made by HQDA and that I will be informed if I am not entitled to retire in the grade I have specified in this paragraph.

13. This application (is)(is not) submitted in lieu of complying with PCS instructions.

14. I understand that if I participated in certain advanced education programs, I may be required to reimburse the United States Government as stated in written agreement made by me with the United States Government under law and regulations.

SJA BRIEFING FOR OFFICERS LEAVING ACTIVE DUTY

* 60% of the strength of the JAGC is in the National Guard and Army Reserve. The Army's readiness depends on maintaining that strength with capable and experienced officers. The officer with active duty service has the depth of experience and training to excel as a Reserve Component officer. Career potential in the RC JAGC extends through the rank of BG.

* OBV, CVI, and VI officers retain their USAR commissions after leaving active duty. RA officers must apply for a Reserve commission.

* All officers retain their rank and time in grade. This protects a substantial investment in career progression and retirement.

- In a due course career progression, a captain with three years active duty will be promoted to major not later than 6 years after separating. Generally, this is two years earlier than a due course promotion for a Reserve Component officer without active duty. While promotion is not guaranteed, selection rates are much higher than active duty.

- Retired pay is based primarily on the number of days served by a RC officer. A JA with 3 years active duty has already accrued a higher potential retirement pay than a RC officer normally earns in over 11 years.

* No matter where they live, officers can continue their careers in the Reserve Components. There are three options available, depending on the officer's location and available time.

- National Guard and Reserve units with JA positions are located throughout the U.S. They train one weekend per month and two weeks in the summer. Captains earn \$4,000-\$5,000 per year.

- A number of active duty JAG offices have Individual Mobilization Augmentee positions. JAs assigned as IMAs train with these offices for two weeks each year. There are no monthly drills. This program is ideal for the officer who has a heavy civilian workload or is located in an area where no unit positions are available.

- There are a limited number of Active/Guard positions. These officers serve three year tours of active duty. It is possible to qualify for active duty retirement with successive tours.

* Benefits of RC service include PX privileges, opportunity for SGLI coverage, commissary privileges, attendance at JAGC CLE classes (generally approved by all states requiring CLE), and retired pay at age 60.

* For more information, call the Judge Advocate Recruiting Office at 866-ARMY-JAG.

SECTION X. SPECIAL RULES OF MILITARY PRACTICE

10-1. Counsel in Courts-Martial. Article 27(b), Uniform Code of Military Justice, requires that an individual detailed as trial or defense counsel of a GCM must be a JA or a member of the bar of a Federal court or of the highest court of a state, and certified to perform such duties by TJAG. SJAs are responsible for ensuring that only certified commissioned officers are detailed as counsel in all courts-martial.

a. Officers appointed in, or detailed to, the JAGC will be certified as counsel before GCMs upon substantial successful completion of the Basic Course or on admission to the bar, whichever occurs later.

b. Non-JAGC officer-lawyers normally will not be certified. If an exception to this rule is required, the SJA concerned will submit a request to PP&TO, accompanied by the officer's law school transcript, a certified copy of the officer's license to practice, a resume of experience, and a justification for an exception to this policy.

c. Reserve Component JAs serving on active or inactive duty for training may be detailed as trial counsel or assistant defense counsel in all courts-martial. Such Reserve Component JAs may also serve as defense counsel in summary courts-martial.

d. FLEP officers performing OJT may be detailed as summary courts-martial, Article 32 investigating officers, or as assistant trial counsel. FLEP officers detailed as assistant trial counsel must work under the supervision of certified JAs, detailed as trial counsel, who are primarily responsible for presentation of the case in court.

e. At installations where TDS provides defense services, only members assigned to TDS normally will be detailed as defense counsel or assistant defense counsel.

10-2. Bar Membership.

a. AR 27-1, para. 13-2h(2) requires that officers appointed in or assigned or detailed to the JAG Corps will remain members in good standing of the bar of the highest court of a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or a Federal Court. (Note that expected changes to AR 27-1 will eliminate membership in a Federal Court as a means of satisfying good standing.) It is each officer's responsibility to comply with this requirement. The definition of what constitutes "good standing" varies from jurisdiction to jurisdiction. Some bars, for example, do not consider "inactive" members to be members in good standing. Officers who are required to pay membership fees by their state bars to be considered "in good standing" must do so at their own expense. A current statement or certification indicating good standing is required upon application for career status. Additional timeframes at which JAs must verify good standing may be established by TJAG.

b. Special Assistant United States Attorneys. Appointment as a Special Assistant United States Attorney (SAUSA) requires attorneys to comply with Department of Justice (DoJ) policies on bar membership. DoJ now requires all DoJ attorneys, including SAUSAs to certify annually that they are duly licensed and authorized to practice as an attorney under the laws of at least one State, territory, or the District of Columbia at all times. DoJ has interpreted the term “duly licensed and authorized” to mean that a SAUSA’s current status is such that “as is” he or she could practice in their home state. DoJ has further determined that this requirement is not met by merely being “a member in good standing,” but requires a SAUSA to maintain “active” bar membership. SAUSAs who do not attain active status will not be allowed by DoJ to continue to appear on behalf of the United States in District or Magistrate’s Court. Prospective SAUSAs should be informed of this requirement prior to the request for appointment to avoid any delay in certifying the SAUSA. Furthermore, The Citizens Protection Act (28 U.S.C. 530B) applies to Special Assistant United States Attorneys. It provides: “An attorney for the Government shall be subject to State laws and rules, and local Federal court rules, governing attorneys in each State where such attorney engages in that attorney’s duties, to the same extent and in the same manner as other attorneys in that State....” As used in the Act, “attorney for the government” denotes mainly those judge advocates appointed as Special Assistant United States Attorneys or “employed” by the Department of Justice and who are authorized to conduct criminal or civil law enforcement proceedings on behalf of the United States.

10-3. State Fees. Some states have begun to charge a professional license fee or privilege tax for attorneys. This is a tax by the state and not a bar fee. New Jersey, Tennessee, Texas, and the District of Columbia have begun such programs. In many cases, however, the states have been granting exemptions to attorneys employed by the government and not practicing in their state. If you receive any report that a state in which you are a member of the bar is considering or has instituted a privilege tax, notify the OTJAG Standards of Conduct Office (SOCO).

10-4. Suspension from JA Duties. TJAG may, in his discretion, issue or withdraw any certification of qualification to act as military judge, or any certification of competency to act as counsel before courts-martial. TJAG may suspend any JA from performance of JA duties pending resolution of an allegation that, if substantiated, would reflect adversely on the officer's fitness for duties as a JA. See AR 27-1, Chapter 7.

10-5. Outside Practice and Court Appearances.

a. JAs and civilian attorneys in the Judge Advocate Legal Service may not engage in the outside practice of law or appear as counsel in civilian courts, tribunals, hearings, or boards. Exceptions to this policy may be authorized by TJAG upon the request of the JA or civilian attorney. Under no circumstances will a JA or civilian attorney undertake such outside practice without first obtaining the written approval of TJAG. See DOD 5500.7-R, the Joint Ethics Regulation, AR 27-40, Litigation, AR 27-1, Judge Advocate Legal Services, and AR 690-200, Civilian Personnel--Excepted Service Appointments.

b. Requests for exceptions to policy will be submitted in writing through and endorsed by the SJA, supervising JA, or commander concerned to PP&TO, describing fully the nature and extent of the practice contemplated and whether an appearance in court may be required. Requests for appearance as counsel in proceedings in which the United States has an interest will be made through Litigation Division, as set forth in AR 27-40, paragraph 1-6b. JAs assigned to USAREUR and Korea will also submit their requests through the Judge Advocate USAREUR, ATTN: AEAJA-X, and the Staff Judge Advocate, Eighth United States Army, ATTN: FKJA-CL respectively. Requests for exception to policy will include the name of the client, jurisdiction and name of the judicial body, compensation, and requisite bar affiliations, as applicable.

c. JAs and civilian attorneys are not prohibited from practicing law or performing legal services for themselves or members of their immediate families, providing such activity is in accordance with the provisions of paragraph 10-6, below.

d. See paragraph 9-7b, above for procedures to request approval for private practice during transition leave.

10-6. Standards of Conduct. In each case of outside practice of law and outside employment, JAs will ensure that they do not act as agent or attorney against the United States' interests or engage in any matter that interferes with, or is incompatible with, their duties. (See, e.g. 10 U.S.C. Section 973 and 18 U.S.C. 205). JAs will not engage in any matter that, under the circumstances, may reasonably be expected to create the appearance of a conflict of interest or bring discredit on the Government or the Department of the Army. See DOD 5500.7-R.

10-7. Certification of Instructors.

a. Chapter 19, AR 27-10 requires TJAG certification for JAGC instructors conducting required military justice training at officer basic and advanced courses. This authority has been delegated to the Chief, Personnel, Plans, and Training Office. Attendance at a methods of instruction course is generally a prerequisite to certification. It may be waived if the school official responsible for the course certifies that, because of a JA's experience and observed teaching ability, attendance at a methods of instruction course would be of marginal benefit.

b. Major commands may forward names of JAs seeking certification to PP&TO. Requests for certification should include the date and location of the methods of instruction course, or reasons for waiver.

SECTION XI. WARRANT OFFICERS

11-1. General. This section pertains to the personnel management of Legal Administrators, Military Occupational Specialty (MOS) 550A.

11-2. Career Management Authority.

a. The Judge Advocate General is the Career Management Authority for Legal Administrators, MOS 550A. The Chief, Personnel, Plans, and Training Office, exercises personnel management and professional development responsibilities for JA Warrant Officers on behalf of The Judge Advocate General.

b. Assistance and technical advice on warrant officer matters are provided by the Judge Advocate General's Corps Regimental Warrant Officer who also serves as career manager for MOS 550A. Direct and frequent contact by Legal Administrators with their Branch Manager is encouraged.

(3) Fax Number: DSN 425-0133

11-3. Warrant Officer Appointment.

a. Legal Administrators are normally appointed from the ranks of Army enlisted legal noncommissioned officers (MOS 71D). The period for submitting applications for appointment is announced annually and includes the MOS-specific prerequisites for appointment. Processing instructions and procedures, as well as other eligibility criteria, are listed in AR 135-100. Additional information pertaining to MOS 550A may be found in DA Cir 601-99-1, Warrant Officer Procurement Program.

b. Commanders will forward applications directly to the address listed in Para 11-2b(1) for consideration by a JA Warrant Officer Appointment Selection Board. Selected applicants are integrated into a standing list known as the Best Qualified Roster. Applicants are listed in order of merit, as determined by the selection board and approved by TJAG.

c. Appointments are based on authorized end strength and losses occurring within the fiscal year. When a vacancy occurs, or is projected, the individual at the top of the order of merit list is scheduled to attend the Warrant Officer Candidate School. It takes approximately 5 months to complete the administrative processing, travel, training, and certification of a candidate. Training consists of:

(1) Warrant Officer Candidate School (WOCS), a 6-week branch immaterial training course, held at the Warrant Officer Career Center, Fort Rucker, Alabama. Graduates are appointed in the grade of WO1, MOS 001A (unqualified).

(2) Warrant Officer Basic Course (WOBC), a 6-week MOS related certification training course held at The Judge Advocate General's School, Charlottesville, VA. This course is taught once a year. Upon completion, personnel are certified and awarded the MOS of 550A, Legal Administrator.

11-4. Initial Obligated Tour. Active duty warrant officers are appointed in the Army Reserve with a concurrent call to active duty. Effective 1 Oct 92, individuals incur an initial six year obligation of voluntary service (OBV). The six year OBV period for new appointments commences upon graduation from the Warrant Officer Basic Course (WOBC) and award of a Military Occupational Specialty (MOS). It does not begin upon graduation from the Warrant Officer Candidate School (WOCS) and appointment as a WO1.

11-5. Voluntary Indefinite (VI) Status.

a. The Deputy Chief of Staff for Personnel recently approved the suspension of warrant officer voluntary indefinite selection boards. In the future, the U.S. Total Army Personnel Command (PERSCOM), in coordination with the Director of Military Personnel Management, will use voluntary indefinite selection boards as a tool for shaping the warrant officer force, when required.

b. Until further notice, previous procedures for awarding voluntary indefinite status when the officer is promoted to CW2 will remain in effect: A field commander's recommendation for promotion to CW2 constitutes a recommendation for voluntary indefinite status.

c. Any WO1 not recommended for promotion to CW2 will not be granted voluntary indefinite status. He will be processed for separation under Army Regulation 600-8-24, and must separate no later than 90 days after the promotion review authority approves the non-recommendation for promotion.

d. Major commands, in coordination with personnel service battalions/detachments, will identify warrant officers appointed on or after 1 January 1994 who have been promoted to CW2, offer them voluntary indefinite status, and have them complete an acceptance/declination statement. The servicing personnel service battalion will forward this statement to: Commander, U.S. Total Army Personnel

Command, ATTN: TAPC-OPW-D, 200 Stovall St., Alexandria, VA 22332-0420, for inclusion in the officer's official military personnel file.

e. Warrant officers promoted to CW2 who decline voluntary indefinite status will separate after completing any remaining active duty service obligation (ADSO).

f. Warrant officers who accept voluntary indefinite status incur a one-year ADSO. Those who desire to withdraw their voluntary indefinite status must do so prior to the expiration of their obligated service, but prior to entering voluntary indefinite status. It is important to remember that approval of a request to withdraw a voluntary indefinite status is not guaranteed. PERSCOM approves or disapproves all requests based on the needs of the Army. Once approved, an obligation will be established for completing any remaining ADSO.

11-6. Commissioned Warrant Officer: Warrant Officers are “Commissioned” upon promotion to CW2. At that time, each warrant officer must execute an Oath of Commissioning (DA Form 71). With the approval of the FY95 Authorization Bill, a technical change to commissioning requirements was introduced. The Oath of Office for Commissioning (DA Form 71) need only be executed once during a career. There is no longer a requirement to execute the oath each time an individual is promoted.

11-7. Regular Army (RA) Appointment. See AR 601-100 and current DA Circulars in the 601-series.

a. Warrant officers may continue on active duty in a VI status until promoted to CW3. RA appointment is automatic upon acceptance of promotion to CW3. Warrant officers appointed after 1 October 1987 must accept RA appointment upon promotion to CW3 or be separated from the Army within 90 days after declining. Personnel appointed prior to 1 October 1987 may decline RA and continue to serve until their 20th year of active federal service.

b. RA Oath. The acceptance or declination of RA must be in writing. If accepting RA, each warrant officer must execute an RA Oath (DA Form 71). The DA Form 71 should have the RA Order Number typed across the top. PERSCOM prepares a separate RA Order, different from that of the Promotion Order. As with the “Oath of Commissioning”, this oath need only be completed once during a career. If declining, a Letter of Declination must be signed by the individual and forwarded to the Branch Manager.

11-8. Military Education and Training. (See DA Pam 600-11)

a. TJAGSA Resident Training. The Legal Administrators Course is an annual course for all Active Duty, National Guard, and Reserve Component Legal Administrators.

b. TJAGSA Nonresident Instruction. Legal Administrators are encouraged to enroll in TJAGSA correspondence courses to develop their professional expertise.

c. TRADOC Resident Courses.

(1) Warrant Officer Advanced Course (WOAC)

(a) Phase I consists of a do-ahead correspondence. Personnel are automatically enrolled in Phase I by the Warrant Officer Career Center (WOCC), Fort Rucker, AL once they have completed 6 of years warrant officer service. If you have any questions concerning enrollment, contact the WOCC at DSN 558-3697, Commercial (205) 255-3697. Course materials will be mailed to eligible individuals.

(b) Phase II is a 5-week resident course conducted at Fort Jackson, SC, however, this is subject to change. A similar 5 week resident course at Fort Gordon is being considered as the future training site. Personnel selected for promotion to CW3 will be scheduled to attend during the 12-month period following the release of the promotion board results. Contact the Branch Manager for class dates. Funding is by MACOM Open Allotment.

(2) Warrant Officer Staff Course (WOSC) is a 5-week resident course conducted at the Warrant Officer Career Center, Fort Rucker, AL. Personnel selected for promotion to CW4 will be will be scheduled to attend during the 12-month period following the release of the promotion board results. Contact the Branch Manager for class dates. Funding is by MACOM Open Allotment.

(3) Warrant Officer Senior Staff Course (WOSSC) is a two-week resident course conducted at the Warrant Officer Career Center, Fort Rucker, AL. Personnel selected for promotion to CW5 will be scheduled to attend during the 12-month period following the release of the promotion board results. Contact the Branch Manager for class dates. Funding is by MACOM Open Allotment.

d. Other Training. Continuing professional education is also provided by attendance at short courses offered by civilian institutions. Use of local funds is encouraged as limited funding is available from HQDA. Technical development may also be accomplished by attending functional and supervisory training sessions offered by the Office of Personnel Management and local commands. Enrollment in correspondence courses offered by The Army Institute for Professional Development is encouraged. See DA Pamphlet 351-20.

11-9. Assignments. See AR 611-112 and DA Pam 600-11.

a. Pursuant to the Warrant Officer Management Act (WOMA), all Legal Administrator positions on manpower documents have been position coded by grade. Where possible, personnel will be assigned to positions equivalent to their grade and experience.

b. In making assignments, the needs of the Army take precedence over other considerations. An individual's skills, professional development, and personal preferences are considered in the assignment process. The location, level, and types of units authorized MOS 550A positions are extremely limited; therefore, vertical or lateral progression may not be reflected in every assignment. Assignments are generally made only to organizations that have valid requirements and position authorizations.

c. Assignment Policies.

(1) Reassignments are kept to the minimum needed to maintain an overseas rotational base, satisfy requirements for special qualifications, and provide for career progression.

(2) Except for unaccompanied tours, warrant officers will ordinarily complete a minimum of 36 months on station before being reassigned.

(3) Qualified volunteers are used to fill overseas assignment requirements to the maximum extent possible. If sufficient qualified volunteers are not available, the most eligible personnel (determined by date returned from overseas and date of most recent PCS) are considered. This may lead to personnel being involuntarily assigned to overseas positions.

d. To assure consideration of their preferences, warrant officers should provide the OTJAG Warrant Officer Branch Manager a current DA Form 483 (Officer Assignment Preference Statement) for their Career Management Individual File (CMIF).

e. Voluntary Extension of Obligated Periods of Service.

(1) Such extensions will be granted only when it is in the best interests of the service (e.g., to ensure mission accomplishment). Requests will be submitted through and endorsed by the SJA, or other supervisor, to the address in Paragraph 11-2b(1).

(2) Personnel assigned to U.S. Army Europe (USAREUR) will provide a copy of their request to the Legal Administrator assigned to the Office of the Judge Advocate, Headquarters, USAREUR. Personnel assigned to Eighth U.S. Army Korea will provide a copy of their request to the Legal Administrator assigned to the Office of the Staff Judge Advocate, Eighth U.S. Army.

(3) See Figure 3-1 for the recommended format for such requests.

11-10. Promotions.

a. Promotion Boards. TJAG does not convene separate selection boards for promotion to the grades of CW3, CW4, or CW5. Legal Administrators are considered by regularly scheduled HQDA warrant officer selection boards. On occasion, TJAG will provide a voting member to warrant officer promotion boards. Warrant officers are recommended for promotion on a "best qualified" basis. See AR 600-8-29.

b. Permanent RA Grade. In accordance with the Warrant Officer Management Act (WOMA), all promotions to the grade of CW3, CW4, or CW5 are permanent. There are no more temporary promotions.

11-11. Retirements. Applications for voluntary retirement will be submitted to the Branch Manager not earlier than 12 months nor later than three months prior to the desired date of retirement. Applications will be processed in accordance with applicable regulations. See Figure 9-6 for recommended format.

SECTION XII. MANAGEMENT OF INDIVIDUAL MOBILIZATION AUGMENTEES

12-1. General. Individual Mobilization Augmentees (IMA) occupy critical positions in Mobilization Tables of Distribution and Allowances (MOBTDA). The IMA program develops members of the Selected Reserve capable of reporting to their JA IMA assignments upon mobilization or Presidential Call-up, fully prepared to perform their mobilization duties. Judge advocate activities should maximize IMA training to achieve this goal. Annually, SJA's must ensure that each civilian employee in their office who holds a reserve commission or IMA assigned to their office are not key government employees as defined in AR 135-133, paragraph 2-10. If a civilian employee or an IMA becomes a key employee, the requirements of AR 135-133, paragraph 2-12 will be followed.

12-2. IMA Positions on the MOBTDA. The SJA should coordinate with force structure planners to ensure the MOBTDA meets the mobilization mission. The command may submit changes for TAADS documents (including IMA positions) to HQDA only during the periods of January-March and July-September. These periods are referred to as the management of change (MOC) windows. The MOBTDA must be reviewed annually. Not all mobilization "plus up" positions need to be IMA, but only those so critical as to require pre-trained officers with experience in the position. Positions which are no longer required because of changes in the mobilization mission, or which are no longer compatible with the organization's personnel structure because of grade, specialty, or other characteristics, should be deleted or modified on the MOBTDA.

12-3. Training.

a. Each IMA is required to perform twelve days annual training (AT), exclusive of travel time, each fiscal year. The primary objective is to become expert in the duties and functions which the IMA will perform upon mobilization. See AR 140-1.

b. SJAs are responsible for the training and utilization of their IMAs. SJAs should coordinate with their IMAs well in advance of annual training. All requests for AT must be received by ARPERCEN at least 60 days prior to the requested reporting date; and, in any event, not later than the annual IMA fund accounting deadline established by ARPERCEN, currently 31 March. Coordination should also be made with the installation's Directorate of Reserve Component Support which ensures that requests for AT are properly processed and that each IMA is administratively processed during their AT. See AR 5-3.

c. SJAs should contact IMA's at least quarterly; keep each IMA informed of new developments in the law and the Army; and afford each IMA opportunities to earn inactive duty retirement points (up to 60 annually including 15 points for reserve participation). Training projects may include professional reading periods, research writing assignments, review of investigations, consultations, recruiting assistance and LAAWS training. IMA supervisors and sponsors should be alert to training opportunities for their IMAs throughout the year and formalize

them by correspondence detailing the training or study project. Points earned by the IMA are reported using DA Form 1380, Record of Individual Performance of Reserve Duty Training.

d. A comprehensive model IMA Utilization SOP is available from the Guard and Reserve Affairs Division, included in the SJA Course handbook and available for downloading from the LAAWS BBS.

SECTION XIII. CIVILIAN ATTORNEY CAREER PROGRAM

13-1. Scope. This section applies to all civilian attorneys and civilian attorney positions within the professional qualifying authority of The Judge Advocate General, i.e., civilian attorneys of The Judge Advocate Legal Service (JALS). This includes all Army civilian attorneys who are not specifically included within another professional qualifying authority (Army General Counsel; Chief Counsel, US Army Corps of Engineers; and Command Counsel, US Army Materiel Command). Individuals with questions concerning the scope of The Judge Advocate General's qualifying authority should address them to the Chief, PP&TO, Office of The Judge Advocate General, 1777 North Kent Street, Rosslyn, VA 22209-2194. This section does not apply to law students hired under The Judge Advocate General's Intern Program.

13-2. References.

- a. AR 690-200, Chapter 213, Excepted Service Appointments.
- b. AR 215-3, NAF and Related Activities Personnel Policies and Procedures.

13-3. General Policy. Civilian attorneys perform key roles in accomplishing The Judge Advocate General Corps' mission. TJAG established the Civilian Attorney Management Program to address civilian attorney professional development, hiring and career progression. Personnel management is effective only when JAGC leaders, supervisors, and individuals share in the individual's professional development. Responsibility for a successful career remains the ultimate responsibility of the individual. Management of this program is the responsibility of the Chief, PP&TO. Individuals who have questions or suggestions concerning this program may address them to the Chief, PP&TO.

13-4. Standard Position Descriptions. Because of a concern that position classifiers had graded civilian attorney positions under TJAG's qualifying authority at grades lower than the norms within the federal civil service system, the Civilian Personnel Directorate, U.S. Total Army Personnel Command, issued six standard position descriptions for the most common Judge Advocate Legal Services civilian attorney positions. These position descriptions provide a starting point for local officials to determine the appropriate civilian attorney grade. In many cases, attorneys perform functions that require greater responsibility than those described in the standard descriptions and warrant a higher grade level. Heads of legal offices should compare their civilian attorney positions with these position descriptions to ensure their classifiers have appropriately graded their positions. Copies are available at PP&TO. Individuals should forward suggestions for change and submit tailored position descriptions to PP&TO.

13-5. Civilian Attorney Recruitment and Hiring.

a. General. It is The Judge Advocate General's policy that selecting officials choose the best qualified applicants for civilian attorney positions. Consistent with this policy, selecting officials will take into account promotion and career opportunities of those civilian attorneys under TJAG's qualifying authority in addition to the policies stated below.

b. Minority and Female Attorneys, and Attorneys with Disabilities. It is The Judge Advocate General's policy that local recruitment efforts must include reasonable efforts to contact sources in a geographic area thought to be broad enough to recruit minority and women candidates, and candidates with disabilities.

(1) CONUS staff judge advocates/senior counsel and servicing civilian personnel advisory centers (CPAC's) are responsible for local recruiting of well-qualified minority and women candidates, and candidates with disabilities; PP&TO will recruit these individuals for overseas activities. When advertising to fill attorney or law clerk vacancies, the CPAC will make reasonable efforts to contact bar associations, minority and women organizations, and accredited law schools within its locale. Individuals may coordinate these local recruiting efforts with PP&TO.

(2) PP&TO will recruit within Army and will make reasonable efforts to advertise employment opportunities by mailing job vacancy announcements to groups such as national bar associations, national legal organizations representing minority and women attorneys, and law schools having predominately minority students.

c. Recruitment Procedures.

(1) This section provides procedures for recruiting civilian attorneys and law clerks under The Judge Advocate General's qualifying authority. These procedures do not apply to the employment of law students in TJAG's Summer Intern Program.

(2) Prior to announcing the position, the Civilian Personnel Operations Center (CPOC), in coordination with the legal office, will forward a copy of the SF 52-B (Request for Personnel Action), job description, and a draft vacancy announcement to PP&TO. The responsible office need not type the announcement on DD Form 173/3 provided that office types it double-spaced on plain bond paper following the format in Figure 13-1. PP&TO will dispatch the announcement.

(3) Applicants will file all required forms directly with the servicing CPOC. The CPOC will rate each applicant against the minimum qualifications as outlined in AR 690-200, paragraph 4-5b. Upon CPOC's determination of the minimally qualified candidates, that office will convene a ranking panel to rank those candidates using the locally developed ranking criteria (knowledge, skills and abilities (KSA's)) as published in the vacancy announcement. Development of the ranking criteria is a joint legal office and CPAC responsibility. The ranking

panel will consist of at least two attorneys and a civilian personnel specialist serving as an advisor. The selecting official will not serve on the panel; PP&TO will assist, if necessary, in meeting this requirement. After the panel has ranked all applicants, the CPOC will prepare a list of the best qualified applicants using DA Form 2600, Referral and Selection Register, and forward it to the selecting official. The selecting official may waive the panel requirement if there are less than eleven minimally qualified candidates. In such cases, the CPOC will refer all of those candidates that meet minimum qualifications to the selecting official.

(4) After the selecting official has made a tentative selection, the CPOC will forward the referral list and supporting documents relating to the selected person to PP&TO for review. The selectee's file must include the minimum documents required by the vacancy announcement and a statement explaining why the selecting official chose the applicant over other candidates. A report of the efforts made to encourage minority, women and individuals with disabilities for the vacancy will accompany the referral list. See Figure 13-3. The selecting official's report of minority and women applicants will use only the information stated on the SF 171 or equivalent document, OPM Form 1386 (Background Survey Questionnaire), and supporting documents. Overseas commands need only provide the information in Figure 13-3, paragraphs 4 and 5.

(5) TJAG will review the selectee's professional qualifications and the local efforts to recruit minorities, women, and individuals with disabilities. This review will include the extent to which his or her education and experience demonstrate the KSA's necessary to successfully perform the position's duties. PP&TO will notify the selecting official and the servicing CPOC when TJAG has approved or disapproved the selectee for appointment to the position. If TJAG approves the selection, the servicing CPOC will process the appointment.

d. Noncompetitive Appointments.

(1) Temporary assignments. In unusual cases, the head of a legal office may temporarily appoint an attorney to fill an attorney vacancy rather than using the procedures in paragraph c above. The temporary appointment requires TJAG's prior approval. TJAG will approve the request only to provide urgently needed legal services that assigned military and civilian personnel cannot temporarily provide. The selecting official may appoint the attorney to an existing vacancy or to a temporary position and may select the temporary appointee without regard to the usual external recruitment announcement procedures. Prior to the selectee's appointment, the selecting official will submit to the CPAC a justification for the temporary hiring; and items 3A (SF 171, OF 612 or resume), 3B (law school transcript), and 3C (member-in-good-standing certificate and fitness-to-practice statement) from Figure 13-1. The justification may be submitted with the CPAC package or may be mailed separately to PP&TO. The CPAC will forward the documents to TJAG who will review them to determine if the head of the legal office has justified a temporary hiring and if the selectee's professional qualifications are acceptable for employment. If the temporary appointee desires consideration for a permanent appointment, the selecting official will consider him or her along with all other applicants under the normal competitive procedures. A selecting official is not to construe TJAG's approval of a person's

professional qualifications for temporary appointment as TJAG's preference of that individual over other applicants for the position.

(2) Appointments/promotions to reclassified positions. Whenever the civilian attorney position is reclassified to a higher grade the incumbent may be appointed/promoted noncompetitively to the higher graded position after TJAG approves the incumbent's professional qualifications to assume the increased responsibilities. The CPAC will submit a letter requesting TJAG's approval with:

- (a) The SF 52 (Request for Personnel Action) pertaining to the new appointment;
- (b) The supervisor's written recommendation concerning the new appointment;
- (c) A copy of the new job description; and

(d) A current official certificate showing that the applicant is a member in good standing of the bar of the highest court of a state, territory, the District of Columbia or the Commonwealth of Puerto Rico.

In addition to these documents, TJAG will consider the contents of the attorney's PP&TO personnel file.

(3) Appointment, reassignment, or change to lower grade. A person appointed to a civilian attorney position may, upon TJAG's approval, be placed noncompetitively in another civilian attorney position at the same or lower grade by a new appointment, reassignment, or change to a lower grade. Both positions must be under TJAG's qualifying authority. The appropriate staff or command legal office should forward a request for appointment, reassignment, or change to a lower grade through the local CPAC to PP&TO. The requester should include the items listed in subparagraphs 3A, and 3C, Figure 13-1, a copy of the SF-52, a copy of the new job description, and a recommendation from the gaining legal office. TJAG will review the attorney's professional qualifications when determining whether to approve the appointment.

(4) Civilian Attorney Placement Assistance Program. When a command is to separate or reduce-in-grade a civilian attorney for reasons unrelated to personal conduct, performance, or qualifications; PP&TO will assist the attorney in obtaining another attorney position under TJAG's qualifying authority (see AR 690-200, chapter 213, para. 4-14). Attorneys who qualify for such assistance should notify PP&TO in writing (using the format at Figure 13-2) of their desire to participate in this program. PP&TO will announce to legal offices under TJAG's qualifying authority of the attorney's availability for lateral transfer IAW subparagraph (3) above. Local selecting officials may, in conjunction with the servicing CPAC, contact the attorney directly to obtain information and to offer (with approval of TJAG IAW para. 13-5e(3), above) the attorney a non-competitive lateral appointment to a position in the same or lower grade.

13-6. Notification Requirement Concerning Civilian Attorney Positions and Personnel Actions. In addition to advertising vacancies, the head of the legal office must notify TJAG of the following two actions:

a. Position actions. Prior to abolition of any legal position or taking any action that affects a TDA attorney or legal clerk position within the Judge Advocate Legal Service (JALS), the local command must coordinate with PP&TO for TJAG's review.

b. Personnel actions. For every action involving assignment to or separation from an attorney position, the head of the legal office is to send a copy of the SF 50, Notification of Personnel Action, that records the action to PP&TO. He/she is to notify TJAG before management takes any personnel action involving the involuntary reassignment, suspension, separation, or reduction-in-grade of a civilian attorney (AR 690-200, chapter 213, paragraphs 4-13 and 4-15).

13-7. Outside Employment. See AR 690-200, chapter 213, subchapter 4 and paragraph 10-5, above.

13-8. Civilian Attorney Management Training/Master Training Plan.

a. Training and development planning are essential in developing an individual's knowledge and skills. As part of a sincere effort to enhance professional development of civilian attorneys, TJAG has developed a formal civilian training plan. It mirrors the Army program for development of Judge Advocates throughout their careers.

b. Although individuals ultimately control their own careers, office leaders play a significant role by reviewing the attorney's Individual Development Plan (IDP), tailoring it to the individual's needs, and providing assistance to ensure civilian attorneys obtain appropriate training and education. Adherence to the training plan will help to develop a core of highly qualified and motivated civilian attorneys, and will enhance the promotion possibilities of individual attorneys.

c. Training should consist of both formal training and on-the-job training. Leaders and civilian attorneys should use the Master Training Plan as a starting point in developing the IDP.

d. Master Training Plan.

It provides civilian personnel with training analogous to the military intermediate service school level.

(b) Policy. The Judge Advocate General strongly encourages civilian attorneys to include AMSC as an integral part of their individual development plans. TJAG expects heads of legal offices to encourage attendance. Local civilian personnel offices are responsible for providing applications and instructions. Individuals may also obtain information by contacting PP&TO. In addition to the normal application process, attorneys are requested to provide one copy of their application, with an attached endorsement by the supervising staff judge advocate or command legal counsel, to the following address: Personnel, Plans, and Training Office, ATTN: Roger Buckner, The Judge Advocate General, 1777 North Kent Street, Rosslyn, VA 22209-2194.
